Report by Chief Finance Officer (CA9).

The Medium Term Financial Plan (MTFP) agreed by Council in February 2016 included a requirement for further savings for which proposals had not been identified of £10.4m in 2017/18 and £6.2m in 2018/19. A surplus position of £1.3m was included for 2019/20. Over the medium term to 2019/20 a total of £15.3m additional savings are required.

Given the need to make significant additional savings only became apparent following the publication of the Draft Local Government Finance Settlement late in December 2015 due to a change in the distribution of Revenue Support Grant, it would not have been prudent to propose further significant savings without proper financial planning and consultation. Therefore, recommendations for meeting the £15.3m further savings were proposed to be brought forward as part of a revised MTFP for 2017/18 – 2019/20 to Cabinet and then Council for approval before the autumn of 2016.

The Cabinet is RECOMMENDED to RECOMMEND Council to approve:

(a) the revised Medium Term Financial Plan for 2017/18 to 2019/20; and

(b) the four year Efficiency Plan for 2016/17 to 2019/20 including the Flexible Use of Capital Receipts strategy for 2016/17 for onward submission to the Department for Communities and Local Government.

(b) Provide a mandate to work jointly with Oxford University to implement and progress the establishment of a new charitable company/entity for the governance and management of the Hill End; and

Report by Director for Children’s Services (CA11).

The crisis in Syria and events in the Middle East, North Africa and beyond has seen an unprecedented number of migrants and asylum seekers arriving in Europe.

The Home Office and other central Government Departments have recently sought agreement with local authorities and others to agree a voluntary approach to sharing UASC more equally across the UK. If a voluntary approach fails, Government has under recent legislation and regulations given itself powers to force councils to accept UASC.

The Government is committed to a transfer scheme operating from 1 July 2016. South East county and unitary councils – along with councils in other parts of the country – are being asked to indicate how many UASC they could accept. No authority will be expected to take more than 0.07% of their existing child population. There has for some time been increasing concern from local authorities that the government grant allocation fall far short of the actual cost of accommodating these children.
A decision is needed as to whether or not Oxfordshire County Council will commit to the new Government scheme.

*The Cabinet is RECOMMENDED to give consideration to the Government proposal regarding the redistribution of UASC and recommend an approach.*

12. **Draft Action Plan in Response to Joint Targeted Area Inspection (JTAI)** (Pages 147 - 160)

In early March Ofsted, The Care Quality Commission, HMI Constabulary and HMI Probation undertook a joint inspection of the multi-agency response to child sexual exploitation, children missing from home, care or education and the front door to children’s social care. This resulted in the publication of a detailed letter outlining the findings of the effectiveness of partnership working and the working of individual agencies in Oxfordshire.

The Director of Children’s Services is required to submit a written statement of action to Ofsted by 15 August 2016, which will be accompanied by the detailed action plan that addresses the areas for improvement identified by the JTAI.

*The Cabinet is RECOMMENDED to approve in principle the attached Written Statement of Action and Action Plan (Annexes 1&2) prior to submission to Ofsted by 15th August 2016.*
