AWG 5 Draft Annual Governance Statement

AU11

In addition to the inclusion of an action regarding the management control over the Accounts Payable system (AWG7 above), The Group suggested some minor changes to the draft Annual Governance Statement.

Sections 66 - 72 of the draft reviewed refers to "Other external review/assurance mechanisms"; the Group was concerned that with the exception of the Audit Commission reports, the Audit Committee has no oversight of the reports received from other external inspection agencies. It is recommending that a report be brought to the Audit and Governance Committee setting out how these external reports that are used to inform the AGS are received and monitored; in particular how would the Committee be informed at an early stage if there are any governance issue arising from the reports, and what assurance can they get that areas identified for improvement are being considered and actioned on a timely basis
