2. Community Risk Management Plan (CRMP) Action Plan 2019-20

(Cabinet, 19 March 2019)

The Fire and Rescue Services Act 2004 requires the Secretary of State to prepare a Fire and Rescue National Framework to which Fire Authorities must have regard when discharging their functions. The 2018 Framework required each Fire and Rescue Authority to produce a publicly available Integrated Risk Management Plan (IRMP). Within Oxfordshire Fire and Rescue Service (OFRS) this is named a Community Risk Management Plan (CRMP) to make it more meaningful to the public. In April 2017 OFRS published the CRMP 5-year strategy of Oxfordshire, this will cover the period from 2017 to 2022.

Each year the fire authority creates an action plan which proposes projects to support the CRMP 5-year strategy.

Cabinet approved a report that outlined the projects for 2019-20 and the consultation that had been undertaken on those projects.
