- Prison crime investigation team have average caseload of 120 crimes reported from HMP Bullingdon at any one time.
- Cherwell and West deployed Vigilant for the first time, tackling predatory behaviour in their NTE and used dedicated resources to secure a charge for a stranger rape

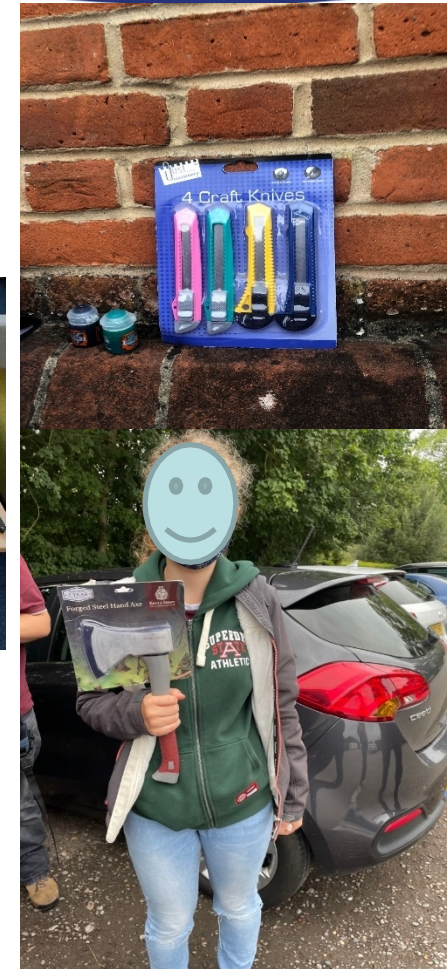

Prevention and reduction of Knife Crime

The LPA obtained funding through the Violence Reduction Unit to create Operation Moonart. This funding has enabled the LPA to conduct numerous disruptive operations, which include;

- 2 x Knife Test Purchase operations with Trading Standards covering businesses in Didcot, Wallingford and Wantage.
- 4 x Drugs dog operations in key hot spot locations identified through NH tasking and violent crime Covering Abingdon, Didcot, Wallingford and Wantage.

Page 13 In addition to the above operations we have also focused out community engagement in the following areas;

- Knife Amnesty Bin at Abingdon Police Station
- 24 x Knife sweeps in hot spot locations identified through our NH tasking and violent crime dashboard
- Distribution of 10,000 #knife free stickers to food and drink outlets across the LPA.
- 2000 + young people received education sessions on preventing harm and dangers of knives through PC Mike Dix (School and youth engagement officer)

Theft of cycles in Oxford
