

Councillor David Hingley – Adderbury & Bloxham Proposed Parking Restrictions

I note you are considering proposed parking restrictions in Adderbury & Bloxham tomorrow at item 7 of your agenda.

Following an Adderbury parish council meeting last night, I can confirm that the proposal related to Adderbury before you is acceptable, and that I support those recommendations as laid out, which are to approve the double yellow lines on High St/Croft Lane and to not approve the other Adderbury measures, given responses to the consultation.
