

**OXFORDSHIRE
COUNTY COUNCIL**

Forward Plan

October 2026

Tim Bearder
Leader of the Council
County Hall, Oxford OX1 1ND

Date Issued: 2 September 2026

The Cabinet's Forward Plan: Introduction

This Forward Plan outlines the decisions which are expected to be made over the coming four-month period by or on behalf of the County Council's Cabinet. NB Also included, for ease of reference, are items for the current month.

The Plan is arranged in Committee date order, Cabinet or Delegated Decision by Cabinet Member. (The members and their portfolios are listed via a link on the next page.) Each entry briefly describes the subject and scope of the decision; indicates the "target date" on which the decision is expected to be taken and by whom (eg whether the full Cabinet or an individual Cabinet Member); what documents (normally a report by an officer) are expected to be considered; and contact details for the officer(s) dealing with the matter.

Where consultation is being carried out prior to the decision being taken, the principal consultees are specified. The method of consultation will normally be by letter or – where the views of the wider public are to be sought – by press coverage, supplemented by local notices if the decision affects a particular area. Other methods, such as exhibitions, opinion surveys, community forums etc, may be used to supplement these.

The lists include any "key decisions" - those which are "significant" under the terms of government regulations. In general, a key decision may not be taken unless notice of it has been included in the Forward Plan. More detailed information on what is a key decision can be found in the Council's Constitution on the Council's website.¹ This can also be inspected at County Hall.

However, the Council has decided that Oxfordshire's Forward Plan should include all those matters which are expected to come before the Cabinet in the period of the Plan, whether or not they may give rise to key decisions.

If any key decisions are expected to be taken by officers within the Plan period under powers delegated by the Cabinet, these are included in the Plan. Unless of a confidential nature, reports and other documents for any meeting can be inspected, from approximately a week before the meeting, at County Hall and online². Copies can be supplied on request, at a charge to cover copying costs.

Making Representations about Forward Plan Items

Anyone who wishes to make representations about a particular matter listed in the Plan should send their comments so as to reach the County Council at least a week before it is due to be considered. Comments should be either: Posted to "Forward Plan", Law & Governance (Democratic Services), Corporate Services, County Hall, Oxford OX1 1ND, delivered in person to the same address or e-mailed to forward.plan@oxfordshire.gov.uk. There is also a facility for making a short address to the Cabinet or Cabinet Member in person.

Cabinet response to the Motion proposed by Councillor Lee Evans as follows: “This Council notes that many people in our county suffer from progressive and life-limiting conditions, such as Motor Neurone Disease (MND). As these diseases progress, symptoms worsen and people’s needs increase, often unpredictably. This Council believes that people living with progressive conditions deserve to live in safe and accessible homes, with as much independence and quality of life as possible. We commit to doing all we can to ensure this. This Council notes that early interventions, as well as being good for							m@oxfordshire.gov.uk

individuals and their families, can save taxpayer's money by enabling people to manage their condition more effectively and reducing the need for critical interventions at a later stage. This Council therefore resolves to ask the Cabinet Member for Adults to review the County Council's role in the Disabled Facilities Grant (DFG) and report to the People Overview & Scrutiny Committee with: • How the Council currently delivers its role in the DFG; • Timeliness over the past three years for the County Council fulfilling its role in the DFG, including assessments and referrals; • How the Council's processes could be								

Items to be considered	Decision Maker		Exempt Information	Consultation	Reason for Amendment (if any)	Cabinet Member	Contact Officer	Report by
improved, including the timeliness of assessments and the working relationship with District Councils and other partners; • Whether the County Council is acting quickly enough to ensure that target timeframes of 55 days for simple adaptations and 130 days for complex adaptations can be met for people living with MND and other progressive or terminal conditions.”

A415 Abingdon Road, Kingston Bagpuize - Proposed 30 & 40mph Speed Limits (Ref: 26/121) The proposed Traffic Regulation Order will reduce the existing national speed limit to 40mph on the approach to the roundabout to improve highway safety by lowering vehicle speeds and reducing collision risk. The change will also support safer operation of the junction by improving driver awareness and reaction times. In addition, it will provide consistency with the proposed 40mph speed limit on the adjacent link road, creating a uniform and safer speed	Delegated Decisions by Cabinet Member for Transport (8 Oct 2026)	No	Open Paragraph	Statutory consultees for a permanent TRO change	Decision maker Delegated Decisions by Cabinet Member for Transport Management changed to Delegated Decisions by Cabinet Member for Transport.
