

Theme Three: Having a Place to Live

Dynamic Work Plan

1. We need different types of housing in Oxfordshire which provide a choice for people with a learning disability to meet their individual needs and preferences.

Key Actions:	Outcome Measure of Success
Write a 10-year housing plan.	The housing plan will be written by September 2025.
Review the housing that we already have in Oxfordshire for Supported Living.	There will be a housing review and improvement plan written with priorities for 2026/27 by September 2025. The housing review and improvement plan will be included in a cabinet paper written, asking for money for the housing plan.
We will ask the Council for money for the housing plan.	By February 2026, the money will be agreed by the Council for a 10-year housing plan.
We will co-produce an outreach model of support so that more people can stay in their own homes.	New outreach contracts will start by February 2027.
We will improve people's access to "short breaks" so that people can remain in their own home with breaks for family carers.	A new Short Breaks service contract will be in place by April 2026.
We will improve people's access to "shared lives" so that people have improved housing and support options.	A plan will be written by October 2026.

2. Housing and support are safe and of a good quality for everyone.

Key Actions:	Outcome Measure of Success
<p>The council will continue to work with Quality Checkers to check supported living contracts.</p> <p>We will check which providers have their own quality checkers.</p>	<p>Experts by experience will be able to tell people about the quality of support and housing to help make improvements.</p> <p>We will have a list of support providers who use quality checkers by August 2025.</p>
<p>There will be a review of how people were involved in choosing a supported living provider.</p>	<p>Feedback will be used to improve future plans and checklists to review and choose supported living providers. The review will be completed by October 2025.</p>
<p>We will make sure people's feedback is included in contract reviews and decisions to replace contracts.</p>	<p>There will be an agreed plan and checklist written of how people are involved in supported living contract reviews by December 2025.</p>
<p>We will co-produce how we will involve people in choosing new supported living contracts.</p>	<p>There will be an agreed plan and checklist written of how people are involved in choosing new supported living contracts by December 2025.</p>
<p>We will co-produce a Supported Living Charter.</p> <p>This will include information about what supported living should be to share with people and different organisations.</p>	<p>A Supported Living Charter will be written by February 2026.</p> <p>The Charter will link to the new National Housing Standards that are being written.</p>
<p>Key Performance Indicators will be agreed with support providers for current supported living contracts.</p>	<p>Key Performance Indicators will be agreed with support providers by March 2026.</p>
<p>We will make sure that out of county housing is safe and of a good quality.</p>	<p>The current process for reviewing housing out of county will be shared and improvements suggested by March 2026.</p>

3. Information and communications about the options available for housing and support should be easily available and accessible to everyone in a format that suits them.

Key Actions:	Outcome Measure of Success
<p>We will find out what information is currently shared with people about housing and support. This will include:</p> <ul style="list-style-type: none"> - General housing - Shared lives - Short Breaks - Outreach support - Supported living 	<p>We will review the information that currently exists and update this plan to make improvements by February 2026.</p>
<p>The Live Well Oxfordshire website will be updated to share supported living options which will include information about different support providers.</p>	<p>People will have better information of support available to improve choice by June 2026.</p>

4. People should understand their rights and responsibilities as a resident, tenant, or homeowner.

Key Actions:	Outcome Measure of Success
<p>We will find out what information is currently shared with people, and their family carers about their rights and responsibilities.</p>	<p>We will review the information that currently exists and update this plan to make improvements by July 2026.</p>
<p>We will work with partners to make sure information is provided about:</p> <ul style="list-style-type: none"> - shared ownership - trusts 	<p>There will be better information to make sure people's future rights are protected to protect their access to good housing.</p> <p>There will be information provided by July 2026.</p>

5. People need to be able to access information and the right equipment, aids, and adaptations to support them in their homes.

Key Actions:	Outcome Measure of Success
<p>We will find out more information and what the issues are for people with a learning disability.</p> <p>We will co-produce a plan to recommend improvements that could be made.</p>	<p>The review and recommendation plan will be produced by February 2027.</p>
