**Charlotte Cox Trust**  
**Notes to the accounts**  
**for the year ended 31 March 2025**

**1 Accounting policies**

***Basis of preparation of the accounts***

These accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting & Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS102) effective 1 January 2015 and Charities SORP 2015.

The charity has taken advantage of the exemption in Financial Reporting Standard 102 paragraph 1.11 from the requirement to produce a cash flow statement.

The particular accounting policies adopted are set out below.

**Accounting convention**

The financial statements are prepared, on a going concern basis, under the historical cost convention.

**Incoming resources**

Incoming resources are accounted for on a receivable basis when

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

**Investment Income**

Bank interest is included in the income and expenditure account on a receivable basis.

**Recognition of liabilities**

Liabilities are recognised on the accruals basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the Statement of Recommended Practice for Accounting and Reporting FRS102.

**Resources Expended**

The policy for including items within the relevant activity of categories of resources expended is to include them on a normal accruals basis on a basis of what is considered to be reasonable.

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SOFA.

Governance costs include the cost of the preparation and examination of statutory accounts, the cost of the trustees' meetings and the costs of any legal advice to trustees on governance and constitutional matters.

**Unrealised and realised gains**

Realised gains and losses are included in the accounts on the date at which a contractual obligation is entered into.

Unrealised gains and losses are computed by reference to the market value of the investments at the balance sheet date, compared to the brought forward cost or valuation, and gains and losses arising on similar categories of investments are netted off.

**Fixed assets and depreciation**

The fixed assets were capitalised on 1 April 2010. In accordance with FRS15, tangible fixed assets are valued at historic cost (other than investment assets) and (in accordance with the charities SORP) will not be revalued unless the charity adopts a policy of revaluation in the future. They are depreciated over the useful economic life which is estimated to be 60 years on a straight line basis.

Investment properties are those that are used solely to earn rentals and /or for capital appreciation. They are measured at market value, were valued as at 1 April 2010 at current cost and will be revalued every 5 years. They are not depreciated and gains and losses on revaluation is shown in the gains and losses on investment assets in the Statement of Financial Activities.

The Valuer was Penny Parker MRICS, Senior Surveyor, Carillion Capita Symmonds and is external to the charity.

**Taxation**

As a registered charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is recoverable by the company, and is therefore not included in the relevant costs in the Statement of Financial Activities.

**Funds structure policy**

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

Restricted funds have been provided to the charity for particular purposes, and it is the policy of the board of trustees to carefully monitor the application of those funds in accordance with the restrictions placed upon them.

A fixed asset fund is maintained which represents the written down value of tangible fixed assets, and is divided into a restricted fixed asset fund representing the written down value of those assets subject to restrictions, with the balance being in a designated fund representing the written down value of those assets free of restrictions.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Any other proposed transfer between funds would be considered on the particular circumstances.

**Charlotte Coxo Trust**  
**Notes to the accounts**  
**for the year ended 31 March 2025**

**2 Winding up or dissolution of the charity**

If upon winding up or dissolution there remains any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

|                                     | 175,000    |

Investment assets were valued as at 1 April 2010 by Penny Parker MRICS, Senior Surveyor, Carillion Capita Symmonds  
33 High Street was reclassified from a fixed asset to an Investment Property at 22 March 2012 and valued as an investment property because of a change in planning to residential property as there was no interest from the inhabitants of Watlington for its continued community use.  
33 High Street was due to be revalued in March 2017 (under the fixed assets and depreciation Accounting Policies set out in Note 1).  
This has not yet happened and the property will be revalued at a later date.
