2. Questions from County Councillors

QUESTION FROM COUNCILLOR FOOKS

'Residents in some parts of the North Summertown CPZ, particularly the roads in Cutteslowe furthest from the Banbury Road, are finding that the restrictions provide no benefits but only bureaucracy and unnecessary restrictions on their own parking arrangements. When does Cllr Rose expect resources to be available to look at ways to reduce the impact on residents of the North Summertown CPZ whilst still retaining the policy objective of discouraging commuters from parking in the area? Commuter parking was, in fact, not an issue in much of the zone.'

Reply from Councillor Rodney Rose, Cabinet Member for Transport

"Councillor Fooks will be aware of the pressures on resources that the County Council currently faces which will get worse before they get better. As part of the budget planning process we are looking at how we can achieve a 40% revenue reduction. A reduction on this scale will have implications across the council. At this time therefore we are not able to commit staff resources to further CPZ reviews."
