<p><b>1. Declarations of Interest</b></p>	<p>None</p>	<p>-</p>
<p><b>2. Questions from County Councillors</b></p> <p><i>Councillor Jean Fooks</i></p> <p>“The Cutteslowe CPZ had its first anniversary in October 2015 and assurances were given that a review of its operation would be carried out at that time. Although on the whole the scheme is working well, the promised review, which should involve everyone living in the zone, is long overdue and would enable some anomalies to be addressed with minimal expenditure. Can I reassure my constituents that this review – involving everyone, will be carried out in the very near future?”</p> <p><i>Supplementary</i></p> <p>“Do we have a timescale for something to happen after the consultation?”</p>	<p><i>Response from the Cabinet Member for Environment</i></p> <p>“Consultation had been delayed to see if there would any requirement for further consultation on any additional traffic orders relating to the Wolvercote-Cutteslowe junctions scheme. It had now been confirmed that there would soon be a proposal advertised to ban the right turn out of the eastern most service road access on the northern side of Sunderland Avenue which would be picked up as part of any consultation. It is hoped that should be undertaken soon with documents available online for people to respond.”</p> <p><i>Response</i></p> <p>“That rather depends on what comes forward from the consultation and available funding but we do not want it to take longer than necessary.”</p>	<p>DEE(DT)</p>
