		SA & D	Recovery of full cost	Sec106 and other legal charges (OUTS)	1st April 2017	£190.00	1st April 2017	£190.00	0.0%	If we increased our S106 / OUTS rate (currently £190) by 3% it would increase it to £195.70. This is considerably above the national average (£134) and would be highest in country as far as we can tell on the benchmarking figures. We would like to minimise challenges to our rate and would prefer to keep as is to do that. (We are second highest in the UK at the moment.)	SR
		D	Recovery of full cost	Internal charge	1st April 2017	£86.50	1st April 2018	£90.00	4.0%	If we increased our internal hourly rate by 3% it would go to £90 ph. This would increase our internal income but would be borne by the Directorates.	SR

		D		Academies - Hourly Rate	1st April 2017	£150.00	1st April 2017	£150.00	0.0%	If we increase our rate by 3% it would increase to £154.50. Instead, preference would be increase demand through marketing our services further. We have not currently marketed our services to all academies – so I would like to keep it at the best possible rate in order to generate the maximum amount of income.
