

Appendix 2 – Overview of Climate Action Programme 22/23 Delivery Plan

The table below provides an overview of the actions included in the 22/23 delivery plan for the Climate Action Programme, across its three pillars:

- Becoming a climate active council
- Decarbonising our estate and operations by 2030
- Enabling Oxfordshire's transition to net zero.

It also identifies the officers responsible for each action.

Climate Action Programme 22/23 delivery plan	
Becoming a climate active council	
Deliver climate action objectives and outcomes through the Delivering the Future Together programme	Karen Edwards
Procure a carbon accounting framework and toolkit to support decision making in capital projects	Sarah Gilbert/Hannah Batty
Expand scope 3 greenhouse gas reporting (supply chain emissions)	Sarah Gilbert/ Melissa Sage
Expand Carbon Literacy training – internally and develop offer to external organisations	Sarah Gilbert
Deliver 'Oxfordshire Net Zero' comms and behavioural change programme for residents, local businesses and community groups	Susannah Wintersgill
Decarbonising our estate and operations by 2030	
Deliver <i>Carbon Management Plan 2022-25: planned actions for 2022/23</i> (estate, fleet, highway assets and staff travel)	Vic Kurzeja/ Sarah Gilbert
Enabling Oxfordshire's transition to net zero (inked to PAZCO)	
Transport and connectivity	
Adopt and implement Local Transport and Connectivity Plan, including embodied carbon policy	Rachel Wileman
Adopt PAS2080 standard to minimise carbon emissions in infrastructure projects	Hannah Batty
Develop Strategic Active Travel Network plan	Melissa Goodacre
Expand EV charging infrastructure (TBD – pending funding bid outcomes)	Paul Gambrell
Buildings	
Set up retrofit partnership and develop an Oxfordshire retrofit strategy	Sarah Gilbert
Develop retrofit pipeline for inclusion in Oxfordshire Infrastructure Strategy	Sarah Gilbert
Energy	
Develop local energy planning approach	Sarah Gilbert
Support investability of solar generation and heat pumps	Sarah Gilbert
Waste and consumption (circular economy)	
Develop Oxfordshire circular economy strategy	Teresa Kirkham
Support expansion of Community Action Groups' impact, diversity and inclusion	Teresa Kirkham
Adaptation and resilience	
Develop adaptation and resilience strategy, engaging a diverse range of communities	Sarah Gilbert
Natural environment	
Develop Nature Recovery Strategy for Oxfordshire	Nick Mottram
Develop biodiversity net gain policy guidance	Nick Mottram
Community support and engagement	
Implement a climate outreach strategy to support communities and local businesses	Sarah Gilbert
Implement schools' energy and carbon reduction support programme aiming for £400k investment in year 1	Sarah Gilbert
Partnership work	

Lead on producing cross-Oxfordshire net-zero route map and action plan through Future Oxfordshire Partnership	Sarah Gilbert
Develop emissions reduction roadmaps with key suppliers (Scope 3)	Sarah Gilbert
