

**HIGHWAYS ACT 1980**

**THE OXFORDSHIRE COUNTY COUNCIL (DIDCOT GARDEN TOWN  
HIGHWAYS INFRASTRUCTURE – A4130 IMPROVEMENT (MILTON GATE TO  
COLLETT ROUNDABOUT), A4197 DIDCOT TO CULHAM LINK ROAD, AND  
A415 CLIFTON HAMPDEN BYPASS) (SIDE ROADS) ORDER 2022**

Oxfordshire County Council (“the Council”) make this Order in exercise of powers under Sections 14 and 125 of the Highways Act 1980 and all other powers enabling them in that behalf : –

1. (1) The Council is authorised in relation to the Classified Roads in the Parishes of Milton, Harwell, Didcot, Sutton Courtenay, Appleford, Culham, and Clifton Hampden, in the Districts of the Vale of White Horse, and South Oxfordshire, in the County of Oxfordshire to:
  - (a) improve the lengths of highway named in the Schedules and shown on the corresponding Site Plan by cross hatching;
  - (b) stop up each length of highway described in the Schedules and shown on the corresponding Site Plan by zebra hatching;
  - (c) construct a new highway along each route whose centre line is shown on a Site Plan by an unbroken black line surrounded by stipple;
  - (d) stop up each private means of access to premises described in the Schedules and shown on the corresponding Site Plan by a solid black band; and
  - (e) provide new private means of access to premises along each route or at each location shown on a Site Plan by thin diagonal hatching.
- (2) Where a new highway is to be constructed wholly or partly along the same route as a new access or part of one, that new highway shall be created subject to the private rights over that new access.
- (3) Each new highway is given a reference number and letter on a Site Plan, which is also placed in the respective Schedule, and will be a road unless the word “Footpath”, “Bridleway” or “Cycle Track (with a right of way on foot)” appears beneath its reference letter in the Schedule, in which case it will be a Footpath, Bridleway or Cycle Track (with a right of way on foot) as the case may be. Each new access is given a reference number followed by a lower case letter on a Site Plan, which is also placed in the respective Schedule.
- (4) Where a new highway is to be constructed or a new access is to be provided in connection with the stopping up of a length of highway or private means of access described in a Schedule, its reference letter or number (as the case may be) is placed in the said Schedule opposite the description of that length.

- (5) Each Site Plan shows the works indicated in the respective Schedule and has the same number as that Schedule and the route of the Classified Roads are shown in relation to those works.
2. Where immediately before a length of highway is stopped up in pursuance of this Order there is under, in, on, over, along or across that highway any apparatus of statutory undertakers or any telecommunications code system operator then, subject to section 21 of the Highways Act 1980, those undertakers, or that operator, as the case may be, shall have the same rights as respects that apparatus as they had immediately before the stopping up took place.
3. In this Order –
- (a) Distances are measured along the route of the relevant highway;
- (b) “the Classified Roads” means -
- (i) the A4130 Principal Road which the Council propose to improve from a point approximately 38 metres south west of its junction with Milton Gate, generally eastwards, to and including a new roundabout junction to be located to the east of the junction of the A4130 Principal Road with the private access track, known as former Backhill Lane, then generally eastwards, to and including a new roundabout junction to be located some 140 metres east of the junction of the A4130 Principal Road with Bridleway 243/1/10 (Harwell)/Cow Lane, then generally eastwards for 205 metres, to a point 160 metres east of the proposed A4130 roundabout;
  - (ii) the highway which the Council propose to construct, as the proposed A4130 Principal Road, from a point on the existing A4130 Principal Road at its proposed roundabout junction to be located some 140 metres east of the junction of the A4130 Principal Road with Bridleway 243/1/10 (Harwell)/Cow Lane, generally south eastwards, for a distance of 260 metres to and including a new roundabout junction, to be known as the A4130 Science Bridge Roundabout, then north eastwards, crossing over the Great Western Railway line on bridge, then north eastwards, to junction with the A4130 Principal Road, approximately 110 metres north of the A4130/Hawksworth roundabout junction;

- (iii) the A4130 Principal Road which the Council propose to improve from a point approximately 110 metres north of its roundabout junction with Hawksworth, north eastwards to and including an enlarged roundabout junction with Collett, then eastwards for a distance of approximately 192 metres to the west side of the Cherwell Valley railway line at Didcot North Junction;
  
- (iv) the highway which the Council propose to construct, as the A4197 Principal Road, from its junction with the A4130 enlarged roundabout junction with Collett, northwards, crossing over a private railway line on bridge, to the north of Appleford level crossing, then generally northwards to and including a new Sutton Courtenay roundabout junction with the B4016 on the south side of the River Thames, then northwards, crossing over the River Thames on bridge, then northwards, to its junction with the A415 Abingdon Road, at a new Abingdon Roundabout junction, just to the north of the agricultural outbuildings of Zouch Farm;
  
- (v) the A415 Principal Road which the Council propose to improve from a point approximately 350 metres west of its junction with the private access track to the agricultural outbuildings of Zouch Farm, eastwards to and including a new Abingdon Roundabout junction, located just to the north west of the aforementioned access track, then eastwards to a point approximately 210 metres east of its bridge crossing over the Cherwell Valley railway line at Culham Station;
  
- (vi) the highway which the Council propose to construct, as the A415 Clifton Hampden Bypass, from a point on the A415 Abingdon Road approximately 210 metres east of its bridge crossing over the Cherwell Valley railway line at Culham Station, eastwards to and including a new roundabout junction to the south west of Culham Science Centre, then north eastwards, passing on the north west side of Culham Sewage Treatment Works, then north eastwards to its junction with the B4015 Oxford Road, at a point approximately 340 metres north its junction with the Private Access Track to Home Farm House and Fig Tree Barn, at Clifton Hampden,

and which are highways and proposed highways which have been classified by the Secretary of State for Transport as Principal Roads for purposes of the

enactments and instruments which refer to highways classified as Principal Roads;

“the Council”	means Oxfordshire County Council;
“improvement”	in relation to a highway includes raising, lowering or otherwise altering that highway, and “improved” shall be construed accordingly;
“new highway”	means a highway authorised by this Order to be constructed and “new highways” shall be construed accordingly;
“Schedule”	means a Schedule to this Order, and “Schedules” shall be construed accordingly;
“Site Plan”	means one of the Site Plans numbered 1, 1A, 2, 3, 4, 5, 6, 7, 8, 9, 9A, 9B, 10, 11, 12, 13, 14, 15, 16, 16A, 17, 17A, 18 and 19 marked “The Oxfordshire County Council (Didcot Garden Town Highways Infrastructure – A4130 Improvement (Milton Gate to Collett Roundabout), A4197 Didcot to Culham Link Road, and A415 Clifton Hampden Bypass) (Side Roads) Order 2022”, sealed with the Common Seal of the Council and deposited at the offices of the Council at County Hall, Oxford OX1 1DJ;

a duplicate copy has been deposited at the offices of the Secretary of State for Transport.
