

## Work Programme People Overview and Scrutiny Committee

Cllr Ian Snowdon, Chair | Ben Piper, Democratic Services Officer, [ben.piper@oxfordshire.gov.uk](mailto:ben.piper@oxfordshire.gov.uk)

### COMMITTEE BUSINESS

Topic	strategic priorities	Purpose	Type	Report Leads
<b>17 September 2026</b>				
Connect to Work	To be Healthier	To review the Connect to Work programme in Oxfordshire, a voluntary, UK Government funded programme for people who are unemployed or at risk of losing work and who face barriers such as disability/health conditions and other specified disadvantages is being delivered in a way that provides equitable access, integrates effectively with local partners and achieves sustainable employment and what governance, performance measures and risk mitigations are in place as the programme goes live and scales up.	Overview and Scrutiny	Karen Fuller
CQC: Response and Transformation	To be Healthier	To scrutinise the Council's response and plans for transformation following the "Good" CQC inspection report. The Committee will scrutinise how the Council intends to improve the four areas identified by the CQC as "Requires improvement".	Overview and Scrutiny	Karen Fuller

Oxfordshire Adults Safeguarding Board Annual Report	To be Fairer and Healthier	To receive a report from the Oxfordshire Safeguarding Adults Board to understand the trends over the last year across Oxfordshire, and how the Borads strategies have been impacting Oxfordshire residents.	Overview	Karen Fuller; Dr Chidgey-Clark
Oxfordshire Way Update	To be Fairer and Healthier	To receive an update, and scrutinise the development and future of the Oxfordshire Way	Overview and Scrutiny	Karen Fuller
<b>03 December 2026</b>				
Climate Change: (Mental) health & Community	To be Healthier	Scrutinise how climate related risks (heatwaves, flooding, extreme weather) affect physical and mental health.	Overview and Scrutiny	Ansaf Azhar; Sarah Gilbert (TBC)
Marmot	To be Fairer and Healthier	To scrutinise how the Council is reducing Adult Social Care Inequalities in Oxfordshire, through a Marmot-Aligned Assessment of IMD, Rurality and Access Gaps.	Overview and Scrutiny	Ansaf Azhar
<b>11 February 2027</b>				
Healthcare Equipment Supplier	To be Healthier	To what extent did the provider failure at NRS disrupt delivery, installation, repair and collection of community equipment, how were risks to residents (including hospital discharge and urgent need) managed during the transition, and how has the service been restored to business-as-usual performance	Overview and Scrutiny	Karen Fuller
Social prescribing & impact on community	To be Healthier	To scrutinise how Social Prescribing is being used in Oxfordshire, the impact it has, and the access residents have to social prescriptions.	Overview and Scrutiny	Ansaf Azhar
<b>22 April 2027</b>				
TBC
