

Forward Plan

October 2014 - January 2015

Ian Hudspeth

Leader of the Council
County Hall, Oxford OX1 1ND

Date Issued: 3 September 2014

**OXFORDSHIRE
COUNTY COUNCIL**

The Cabinet's Forward Plan: Introduction

This Forward Plan outlines the decisions which are expected to be made over the coming four-month period by or on behalf of the County Council's Cabinet. **NB Also included, for ease of reference, are items for the current month.**

The Plan is arranged according to the responsibility areas of the various members of the Cabinet. (The members and their portfolios are listed in the table on the next page.) Each entry briefly describes the subject and scope of the decision; indicates the "target date" on which the decision is expected to be taken and by whom (eg whether the full Cabinet or an individual Cabinet Member); what documents (normally a report by an officer) are expected to be considered; and contact details for the officer(s) dealing with the matter.

Where consultation is being carried out prior to the decision being taken, the principal consultees are specified. The method of consultation will normally be by letter or – where the views of the wider public are to be sought – by press coverage, supplemented by local notices if the decision affects a particular area. Other methods, such as exhibitions, opinion surveys, community forums etc, may be used to supplement these.

The lists include any "key decisions" - those which are "significant" under the terms of government regulations. In general, a key decision may not be taken unless notice of it has been included in the Forward Plan. More detailed information on what is a key decision can be found in the Council's Constitution on the Council's website.¹ This can also be inspected at County Hall.

However, the Council has decided that Oxfordshire's Forward Plan should include all those matters which are expected to come before the Cabinet in the period of the Plan, whether or not they may give rise to key decisions.

If any key decisions are expected to be taken by officers within the Plan period under powers delegated by the Cabinet, these are included in the Plan. A timetable for all the decisions listed in the Plan appears in an Annex at the end of the Plan.

Unless of a confidential nature, reports and other documents for any meeting can be inspected, from approximately a week before the meeting, at County Hall and online². Copies can be supplied on request, at a charge to cover copying costs.

Making Representations about Forward Plan Items

Anyone who wishes to make representations about a particular matter listed in the Plan should send their comments so as to reach the County Council at least a week before it is due to be considered. Comments should be either:

- posted to "Forward Plan", Law & Culture (Democratic Services), Chief Executive's Office, County Hall, Oxford OX1 1ND or
- delivered in person to the same address or
- e-mailed to forward.plan@oxfordshire.gov.uk.

There is also a facility for making a short address to the Cabinet or Cabinet Member in person. The deadline for any request to do this is 9.00 am on the working day before the matter is due to be considered. A form is available from Democratic Support Team, Law & Culture (Democratic Services), (contact as above, or telephone Oxford 810806) or online³.

Forward Plan October 2014 - January 2015

Notice of an Additional Item for the Cabinet Member for Environment Agenda

Notice is hereby given that the item set out below for consideration by the Cabinet Member for Environment on 9 October 2014 is not in the Forward Plan.

In accordance with the Cabinet Member for Environment decision in July 2013 there is currently a procurement process underway for the recycling of street sweeper waste. However, the local market to develop a facility for this contract has not progressed as quickly as anticipated and it has recently been recognised that there is a risk that any facility to recycle the waste locally will not be available until the end of March next year.

The decision on this matter needs to be taken by the Cabinet Member for Environment on 9 October 2014 because the existing agreement expires at the end of October 2014, before the successful tenderer is able to commence services, and there will be a financial risk to the County Council in that it will incur additional and un-budgeted landfill costs for street sweeper waste.

Cabinet Member for Environment, 9 October 2014

Time Extension for Agreement to Recycle Street Sweeper Waste with Leicestershire County Council

To seek approval under delegated decisions and in accordance with the Council's Contract Procedure Rules Exemption Procedure to allow the Council to extend a Service Level Agreement to continue the recycling of street sweepings whilst an OCC contract is procured.

Decision Maker and Target Date: **Cabinet Member for Environment, 9 October 2014**

Key Decision: No

Exempt Information: Yes – Category 3 – commercially sensitive information - report

Forward Plan October 2014 - January 2015

Notice of an Additional Item for the Cabinet Member for Environment Agenda

Notice is hereby given that the item set out below for consideration by the Cabinet Member for Environment on 9 October 2014 is not in the Forward Plan.

Following a previous decision at the meeting held on 24 July it was agreed to undertake consultation on the removal of the current DPPP space on Poole's Lane as soon as possible. The decision on this matter needs to be taken by the Cabinet Member for Environment on 9 October 2014 because assurances were given at the earlier meeting that the decision would be taken as soon as possible. Any delay would risk the reputation of the Council in terms of the legitimate expectations of the public that the decision would be taken.
