Alteration description

4. A description of the proposed alteration and in the case of special school proposals, a description of the current special needs provision.

Wood Farm Primary School's published admission number was increased from 40 to 45 for September 2009, due to rising numbers across Oxford City. Primary Care Trust records and the annual census of local children in early years settings show that the demand for primary school places in Oxford is expected to continue to rise, and schools in this area will not have enough room in future years.

The Local Authority therefore proposes to increase the admission number at the school from 45 to 60 on a permanent basis from September 2012, thus increasing the total size of the school from 270 pupils in Years 1-6 to 360 (from 315 to 420 pupils including the reception classes).

To accommodate this growth in pupil numbers, Wood Farm School will be rebuilt by 2013 with 12 classrooms for Key Stage 1 and 2 pupils, as well as Foundation Stage rooms and more places at the co-located Slade Nursery School.

School capacity

5.—(1) Where the alteration is an alteration falling within any of paragraphs 1 to 4, 8, 9 and 12-14 of Schedule 2 (GB proposals)/paragraphs 1-4, 7, 8, 18, 19 and 21 of Schedule 4 (LA proposals) to The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended), the proposals must also include —

(a) details of the current capacity of the school and, where the proposals will alter the capacity of the school, the proposed capacity of the school after the alteration;

The current net capacity of the school (including the reception classes) is 315. This will increase to 420.

--

- (b) details of the current number of pupils admitted to the school in each relevant age group, and where this number is to change, the proposed number of pupils to be admitted in each relevant age group in the first school year in which the proposals will have been implemented;

Currently 45 children are admitted to the reception age group; for the current Years 1-6 the admission number the comparable admission number was 40. It is proposed to increase this to 60 pupils for the Reception class from September 2012.

- (c) where it is intended that proposals should be implemented in stages, the number of pupils to be admitted to the school in the first school year in which each stage will have been implemented;

Not applicable.

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
42	45	44	42	44	41	36

Objectives

10. The objectives of the proposals.

Oxford city has seen a sustained increase in demand for primary school places over the last two years, and this is expected to continue. Other neighbouring schools are either already full or have insufficient space to take these pupils. The rebuilding of Wood Farm Primary School under the Primary Capital Programme provides an opportunity to increase primary school provision in the city.

11. Evidence of the consultation before the proposals were published including—
- a list of persons who were consulted;
 - minutes of all public consultation meetings;
 - the views of the persons consulted;
 - a statement to the effect that all applicable statutory requirements in relation to the proposals to consult were complied with; and
 - copies of all consultation documents and a statement on how these documents were made available.

 - staff and governors at Wood Farm Primary School;
 - county and district councillors for Churchill and neighbouring wards;
 - other primary schools in the area: Windmill Primary School; Our Lady's Catholic Primary School; Bayards Hill Primary School; St Christopher's Primary School; St Francis CE Primary School; St Andrew's CE Primary School; Sandhills Community Primary School;

 - secondary schools in the area: The Cherwell School; Cheney School; Oxford School; St Gregory the Great Catholic School; Oxford Academy

- (b) An informal public consultation meeting was held at the school for parents to discuss their concerns with the headteacher, school governors and County Council officers.
- (c) Six responses to the consultation document were received, none of which objected to the proposal. The only concerns expressed were for the school to be supported through this period of change, and for adequate parking to be provided.
- (d) All applicable statutory requirements in relation to the proposals to consult were complied with.
- (e) The full consultation document is attached to this proposal as appendix 1. It was distributed by the school to parents of its current children, and posted to the other stakeholders listed above. It was also available on the OCC website and at the meetings held at the school and with local residents.

Project costs

12. A statement of the estimated total capital cost of the proposals and the breakdown of the costs that are to be met by the governing body, the local education authority, and any other party.

The county council's forward capital plan has allocated £11,500,000 to rebuild Wood Farm Primary School, the Slade Nursery, and other on-site community facilities. Of this, an estimated £500,000 is a result of the increase in the admission number covered by this proposal.

Section 106 developer contributions of £215,000 are held against this cost, and the balance will be met from the Primary Capital Programme.

13. A copy of confirmation from the Secretary of State, local education authority and the Learning and Skills Council for England (as the case may be) that funds will be made available (including costs to cover any necessary site purchase).

The costs of rebuilding Wood Farm Primary School at a larger size have been included in the forward capital programme for the period 2009/10 – 2012/13, and were confirmed by Cabinet on 20th October 2009.

Need or demand for additional places

24. If the proposals involve adding places—

- (a) a statement and supporting evidence of the need or demand for the particular places in the area;

Oxford city is experiencing a rapid growth in pupil numbers. In 2007/08 105 additional places had to be created in City schools to cope with demand; in 2008/09 over 200 additional places have had to be created. Primary Care Trust records and the annual census of local children in early years settings show that the demand for places in the city will continue to grow – an additional 10% increase in primary school demand is forecast by September 2011. Currently, only 5% of city primary school spaces are unfilled, compared to the authority's target for urban areas of 8%, indicating constraints to local schools' ability to respond to changes in local population.

Expansion of successful and popular schools

25A. (1) Proposals must include a statement of whether the proposer considers that the presumption for the expansion of successful and popular schools should apply, and where the governing body consider the presumption applies, evidence to support this.

(2) Sub-paragraph (1) applies to expansion proposals in respect of primary and secondary schools, (except for grammar schools), i.e. falling within:

(a) (for proposals published by the governing body) paragraph 1 of Part 1 to Schedule 2 or paragraph 12 of Part 2 to Schedule 2;

(b) (for proposals published by the LA) paragraph 1 of Part 1 to Schedule 4 or 18 of Part 4 to Schedule 4

of the School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended).

The presumption for the expansion of successful and popular schools does not in this case apply.
