

CABINET – 22 JUNE 2010

ITEM 4 – QUESTIONS FROM COUNTY COUNCILLORS

Question received from the following Member:

1. Question to Councillor Couchman from Councillor Fooks

“Is the Cabinet satisfied with the security arrangements at County Hall since the reorganisation of the reception area? Is there a problem with tail-gating through the security screen?”

Answer:

‘No recorded "incidents" since the creation of the new Reception. Security for the building has been further enhanced by closing off the front doors to Old County Hall, off front car park, connected with recent upgrade to fire safety/replacement fire alarm system.

Staff are reminded each quarter at County Hall Users Group to display identity badges whilst they are on the premises and to be vigilant for potential tailgaters, particularly before and after opening hours.’
