Communication Policy

9. The LGPS is supported nationally by websites and guidance for both employers and scheme members. Our Fund communications will reference these national resources as well as material provided by the Fund's advisors.
10. Local communications, intended audience, publication media and frequency are explained in the annex to this policy, which should be read in conjunction with the Administration Strategy.
11. The Fund will aim to use national resources in a way which will avoid duplication with the Fund's own resources. Oxfordshire Pension Fund supports those national developments financially and by active engagement with the working group which concentrates on member communications. The Fund will continue to support collaboration and development of communication media with other administering authorities.
12. The Fund maintains a website which provides access to member guides, forms and information. The Fund requests that employers provide a copy of the member Brief Guide or the link to the website to all new employees on commencing employment, helping to ensure that scheme information is available within disclosure timetable to members and those eligible to join.
13. The Fund maintains a dedicated area of the website to provide resources and information for employers.
14. The Fund maintains a dedicated area of the website to provide resources and information about investments activity.
15. Member Self Service (My Oxfordshire Pension) using a secure online web portal hosted by Aquila Heywood, is available for the whole membership. Registered members can a) look at generic scheme information b) view personal correspondence such as letters and annual benefit statements c) run their own personalised calculations d) upload relevant documentation and e) keep their personal details up to date.

16. The Fund uses secure email, or My Oxfordshire Pension to communicate with members wherever possible, with paper letters only being sent on specific request or where no email address is available.
17. My Oxfordshire Pension is now integrated with most standard work processes.
18. Mailshots aimed at increasing take up of My Oxfordshire Pension across all membership groups are undertaken annually.
19. The Fund has not created a profile on any social media such as X (Twitter) or Facebook; no requests for such access have been received and there is currently no perceived benefit for these to be created. The Fund is looking to launch a LinkedIn page in the next 12 months with aims to boost visibility and reputation, connect with other funds and aid recruitment.

21. The Fund aims to produce communications which are factual, easy to understand and accessible.
22. The Fund strives for efficiency in delivering communications through better use of technology, whilst ensuring that the needs of all stakeholders are taken into account.
23. The Fund strives to continually improve member and employer engagement.
