

**Mapledurham Parish Council – CMD Transport Management (09/10/25) - A4074 Road – Proposed 50mph & 40mph Speed Limits**

I refer to your e-mail of 21 May 2025 in which you advised of the consultation on proposals to reduce the speed limits applicable to lengths of the A4074 road between Heyford Hill, Oxford and the county boundary at Caversham. I am afraid that this response is after the published date for representations. However, the Parish is small and the Council only meets bi-monthly. It considered the proposals at its meeting yesterday.

The Council supports the proposed reduction of the speed limit on the A4074 road through the Parish, to 40mph, as proposed in the Oxfordshire County Council (A4074 Ipsden to Mapledurham) (Speed Limits) Order 20\*\*. Residents of Chazey Heath have been calling for such a reduction for many years, so they, in particular, welcome the proposal.
