## **PROCEDURE FOR THE CONFIRMATION HEARING**

- 3. Confirmation Hearing for the Chief Finance Officer of the PCC**  
(Pages 5 - 16)

Following notification from the Thames Valley Police and Crime Commissioner of the impending retirement of Ian Thompson, the PCC proposes to appoint Martin Thornley to the post of Chief Finance Officer and Deputy Chief of Staff.

In accordance with the Police Reform and Social Responsibility Act 2011 (paragraph 10, sub-paragraphs (2) to (4)), the Panel must:

- review the proposed senior appointment

- make a report to the PCC on the proposed appointment
- include a recommendation as to whether or not the candidate should be appointed.

#### **4. Exclusion of Press and Public**

To resolve that the press and public be excluded from the meeting during the next item of business, as it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present during that item there would be disclosure to them of exempt information within Paragraph 3 of Part 1 Schedule 12A to the Local Government Act 1972, being information relating to the financial or business affairs of any particular person (including the authority holding the information).

While there may be a public interest in disclosing this information, namely openness in the deliberations of the Panel in determining its recommendation regarding the proposed appointment, it is felt that, on balance, this is outweighed by other factors in favour of maintaining the exemption, namely enabling a full discussion regarding the merit of the proposed appointment.

### **PART II**

## **THE PCP'S ROLE IN CONFIRMING SENIOR APPOINTMENTS UNDER SCHEDULE 1 OF THE POLICE REFORM AND SOCIAL RESPONSIBILITY ACT 2011**

Senior appointments under Schedule 1 of the Act are those of Chief Executive, Chief Finance Officer and Deputy Police and Crime Commissioner made by the Police and Crime Commissioner (PCC).

It is the duty of the Police and Crime Panel to hold a public Confirmation Hearing and to review, make reports and recommendations in respect of proposed senior appointments and to publish their reports or recommendations.

There is a separate process under Schedule 8 to be followed for the appointment of Chief Constables, which is not covered in this note.

The Rules relating to Confirmation Hearings under Schedule 1

- The PCC must notify the Panel of the proposed senior appointment;
- The Hearing must take place in public, within a period of three weeks of the receipt of formal notification being received from the PCC;
- The candidate may be requested to appear for the purpose of answering questions relating to the appointment (the LGA guidance makes it very clear that this should be the usual practice);
- The Panel shall review the proposed senior appointment and make a report to the PCC, including a recommendation relating to the candidate's appointment; and
- The PCC must respond to the report and recommendations of the Panel to confirm whether they accept or reject its recommendation. There is no duty upon the PCC to give reasons for their decision.

### **The Procedure for Confirmation Hearings under Schedule 1**

#### **1. Notification of Proposed Senior Appointment**

The PCC will notify the Panel of a proposed senior appointment in writing to the Scrutiny Officer to the Panel. The notification of a proposed senior appointment from the PCC should be accompanied by background information such as a CV or a personal statement to assist the Panel in its assessment of the candidate. At the very least, and in accordance with legislation, the PCC is required to provide the following information:

- The name and contact details of the candidate;
- The criteria used to assess the suitability of the candidate for the appointment and how the candidate satisfies these criteria; and
- The terms and conditions on which the candidate is to be appointed.

#### **2. Arrangement of Confirmation Hearing and Notifying the Candidate**

Following the receipt of notification from the PCC a Confirmation Hearing is arranged, which will take place within three weeks of the date of receipt of notification from the PCC. The Scrutiny Officer will write to the candidate to confirm the date of the Hearing and notify them of the process to be followed. The letter will set out the legislative

provisions underpinning the Hearing and inform the candidate that any information they provide will be heard in the public domain.

If the candidate's references are to be distributed to the Panel, it is the responsibility of the PCC to inform relevant referees of the placing of references in the public domain.

### **3. Pre-Meeting**

The Panel will normally organise a pre-meeting prior to a Confirmation Hearing to allow for a consideration of the background information provided by the PCC. The pre-meeting is intended to provide members of the Panel with an opportunity to consider and agree the scope and thrust of their questioning at the Hearing. As referred to in the LGA Guidance document on Confirmation Hearings, questioning will concern primarily the "professional competence" of the candidate and their "personal independence" \*.

*\* Personal independence is defined in the LGA Guidance as a candidate's ability to act in a manner that is operationally independent of the PCC.*

The pre-meeting will be held in private and, where possible, will be attended by the Panel's Scrutiny Officer or a legal adviser and, if possible, a senior HR adviser from the host authority to assist the Panel in the provision of specialist and technical advice and the devising a list of appropriate questions, if there is any. Additional information relating to the candidate, not provided by the PCC but available elsewhere, should be considered by the Scrutiny Officer and the HR adviser to ensure that the process is fair and that it will help the Panel assess professional competence and personal independence.

### **4. The Hearing**

With preparation and planning at the pre-meeting, Confirmation Hearings should be short and focused. The Hearing will be a four stage process:

Stage 1: Chair outlines the process to be followed and the powers of the Panel. **(PANEL, PCC AND CANDIDATE IN ATTENDANCE)**

Stage 2: Brief introduction by the PCC explaining why the candidate meets the job description, the criteria he/she meets for the post and the terms and conditions for the post. **(PANEL, PCC AND CANDIDATE IN ATTENDANCE)**

Stage 3: Panel to question the candidate to determine if he/she meets the criteria set out in the job description and whether they possess the necessary professional competence and personal independence to carry out the role. Candidates may make a presentation at the start of this stage of the process if they wish. **(PANEL AND CANDIDATE IN ATTENDANCE)**

### **PANEL GOES INTO CLOSED SESSION**

Stage 4: Panel will make its decision and prepare any recommendations to the PCC. **(PANEL IN ATTENDANCE)**

## **5. Coming to a View**

The Panel has three principal options, as follows:

1. If the Panel is content with the proposed senior appointment, it can agree to report its endorsement to the PCC.
2. Where a candidate meets the standards, but the Panel has concerns about their suitability, such concerns can form part of the Panel's report and recommendations to the PCC.
3. In the event that the Panel determines that a candidate does not meet the requirements for the post, the Panel may provide advice and recommendations accordingly to the PCC in its report.

**NB. The PCC is under no obligation to follow the Panel's advice and the Panel's recommendation not to appoint does not represent a veto in the case of Schedule 1 appointments. It is noted in the LGA Guidance that a recommendation to reject the proposed appointment should be used in only "exceptional" circumstances.**

The Panel has to reach a conclusion in relation to the options set out above. It may also choose to comment on other relevant issues.

## **6. Reporting the Panel's Recommendation**

Following the hearing, the Panel will make a report and/or recommendations to the PCC on the proposed appointment. The PCC must respond in writing within the usual 20 working days confirming whether the recommendation has been accepted or not.

## **PROPOSED APPOINTMENT OF THE POLICE AND CRIME COMMISSIONER'S 'CHIEF FINANCE OFFICER AND DEPUTY CHIEF OF STAFF'**

### **Executive Summary**

The Police Reform and Social Responsibility Act 2011 ('the Act') requires, under Schedule 1, paragraph 6(1)(b), that the Police and Crime Commissioner (PCC) "*must appoint ... a person to be responsible for the proper administration of the commissioner's financial affairs (referred to ... as the commissioner's chief finance officer)*".

The post, and post-holder, of 'Chief Finance Officer and Deputy Chief of Staff' within the Office of the PCC will discharge the above statutory duty.

Under Schedule 1, paragraph 9, of the Act, the PCC must notify the Police and Crime Panel ('the Panel') of his proposed appointment to the post of the commissioner's chief finance officer.

The PCC must also notify the Panel of the following information:

- a) The name of the person whom the commissioner is proposing to appoint ("the candidate")
- b) The criteria used to assess the suitability of the candidate for the appointment
- c) Why the candidate satisfies those criteria
- d) The terms and conditions on which the candidate is to be appointed.

Under paragraph 10 of Schedule 1, the Panel must review the proposed appointment and make a report to the PCC on the proposed appointment, including a recommendation to the PCC as to whether or not the candidate should be appointed. The Panel must hold a confirmation hearing before making a report and recommendation to the PCC. The Panel must comply with these requirements within a period of three weeks beginning with the day on which the Panel receives notification from the PCC of the proposed appointment.

The PCC may accept or reject the Panel's recommendation as to whether the candidate should be appointed but the PCC must notify the Panel of his decision whether to accept or reject the recommendation.

## **PART 1 – NON-CONFIDENTIAL**

### **1. Introduction and background**

- 1.1 The Police Reform and Social Responsibility Act 2011 ('the Act') requires, under Schedule 1, paragraph 6(1)(b), that the Police and Crime Commissioner (PCC) "*must appoint ... a person to be responsible for the proper administration of the commissioner's financial affairs (referred to ... as the commissioner's chief finance officer)*".
- 1.2. In accordance with the above duty, I propose to appoint Mr. Martin Thornley CIMA to the post of my 'Chief Finance Officer and Deputy Chief of Staff'.
- 1.3. The post of Chief Finance Officer and Deputy Chief of Staff is located within the Office of the PCC (OPCC) and, for the avoidance of doubt, is employed by the PCC for Thames Valley and is a member of the PCC's own office staff.
- 1.4. Under the Act, the Panel is required to review the proposed appointment and make a report to me on the proposal, including a recommendation as to whether or not the candidate should be appointed. I will consider the report when issued and decide whether to accept or reject the Panel's recommendation on Mr. Thornley's proposed appointment. Until the conclusion of this process, Mr. Thornley remains the proposed candidate for the appointment.

### **2. Issues for consideration**

#### **2.1 Name of the Candidate**

The name of the person the PCC is proposing to appoint to the post of the PCC's Chief Finance Officer and Deputy Chief of Staff is Mr. Martin Andrew Thornley.

#### **2.2 Criteria used to assess the suitability of the candidate proposed for the appointment**

The key criteria I used to assess the suitability of my proposed candidate for appointment are as follows:

Skills, knowledge and experience of:

- Full CCAB accountancy qualification (or equivalent).
- Relevant and proven knowledge of public sector accounting and financial management practices and legislative requirements.
- Proven experience of working at senior management level with direct practical experience of staff management and making best use of resources.
- Proven experience of advising board-level decision-making.
- Proven experience of communicating complex technical and financial information to a non-technical audience.
- Practical knowledge and experience of legislation and best practice concerning public sector governance and accountability requirements.

[For information, the above key criteria, setting out the key knowledge and skills required of the post-holder, are incorporated in the Job Description for this post (attached at Annex A), together with the detailed 'key accountability areas' for which the post-holder will be responsible for results or outcomes.]

### 2.3 Why the proposed candidate satisfies those criteria

Mr Thornley has the following qualifications, skills, knowledge and experience:

- a) Qualified accountant:
  - Mr Thornley became a full member of the Chartered Institute of Management Accountants (CIMA) in 2013.
- b) Knowledge of public sector accounting and financial management practices and legislative requirements:
  - Mr Thornley is currently the Divisional Financial Controller of the Medical Sciences Division of the University of Oxford, leading and directing financial governance of an organisation with an annual turnover of £600m and 6,000 employees. Mr Thornley leads on budgeting, forecasting and strategic financial planning.
  - Prior to that, Mr Thornley was a Finance Analyst for Great Western Railway (turnover of £1bn and 6,000 employees), responsible for financial reporting; capital accounting; management accounts; forecasting; annual budgets and medium-term plans, and liaison with the external auditors.
- c) Proven experience of working at senior management level:
  - In his current role as Divisional Financial Controller, Mr Thornley reports jointly to the University Medical Sciences Division Chief Operating Officer and the University Head of Financial Planning & Analysis, and provides leadership for approximately 200 finance staff across the Division.
  - In his previous role with Great Western Railway (GWR), Mr Thornley reported to the Financial Planning Manager (equivalent to a deputy finance director) and provided ad hoc financial reporting for GWR's parent company (GWR Executive and First Group).
- d) Proven experience of advising board-level decision-making:
  - In his current role, Mr Thornley provides, for example, financial (budget and forecast) board presentations facilitating a more rigorous review of spending, as well as non-financial presentations (e.g. in his recent separate role as Operations Director of the University's Covid-19 testing service).
  - At GWR, Mr Thornley presented performance results and issues for decision to the monthly Performance Executive Committee, chaired by the Managing Director.
- e) Proven experience of communicating complex technical and financial information to a non-technical audience:
  - At the University Medical Sciences Division, Mr Thornley instituted regular budget and forecasting online briefings for finance staff across the Division to increase confidence and understanding of financial processes, and developed presentations on the essentials of financial management for non-finance colleagues (e.g. academics) to help align the Division's scientific and financial objectives.
  - In managing the Covid-19 testing service, Mr Thornley was required to engage with a wide range of stakeholders with different professional interests in order to understand their respective needs and perspectives.
- f) Practical knowledge and experience of legislation and best practice concerning public sector governance and accountability requirements:

- The University of Oxford has a mix of public and charitable sector features and is substantially self-governing. Furthermore, the governance arrangements are complex and can be ambiguous, with decisions often being made by consent. However, the University has significant external accountability, including to regulators, Government and charitable funders.
- Mr Thornley is the Chair of Governors of The Cherwell School in Oxford, with responsibility for ensuring the Board sets the vision and objectives of the school, holds the school – and the Head Teacher – to account for performance, and delivers good governance.
- Accordingly, I am confident that Mr Thornley's essential strong negotiating and leadership skills, and his evident adaptability, will enable him to adapt to the particular governance requirements required of police and crime commissioners and police forces.

I hope the above summary, in terms of the depth and breadth of Mr Thornley's relevant skills and experience, will clearly demonstrate to the Panel his suitability to undertake and successfully discharge the role of Chief Finance Officer and Deputy Chief of Staff.

#### **2.4 The terms and conditions on which the candidate is to be appointed**

A summary of the draft outline terms and conditions relating to the proposed appointment to the post of Chief Finance Officer and Deputy Chief of Staff is attached at Annex B. In brief, this proposal is for a permanent, full-time, appointment at a starting salary of £85,979 per annum.

### **3. Financial comments**

- 4.2. Under the provisions of the Local Government and Housing Act 1989 and Local Government (Political Restrictions) Regulations 1990, this post is 'politically restricted' and post-holders are prohibited from being members of local authorities and taking an active part in politics.

### **5. Equality comments**
