

Oxfordshire County Council Pension Fund Administration Strategy Statement

Introduction

Oxfordshire County Council as the administering authority for the Oxfordshire County Council Pension Fund (the “Administering Authority”) has prepared this administration strategy in line with Regulation 59 and Regulation 70 of the Local Government Pension Scheme Regulations 2013 (the “Regulations”).

All scheme employers and admission bodies (together the “Employers”) are being asked to sign up to the administration strategy by 31 December 2014 and to comply with the standards set out in the service level agreement. It should be noted that under the Regulations the terms of this strategy will apply to all Employers whether they have signed up, or not. However, we would much rather work with Employers to provide a service in which scheme members can have confidence.

Purpose

This policy sets out the role and responsibilities of the Administering Authority and the role and responsibilities of all Employers to ensure effective administration of the Local Government Pension Scheme.

Aim

The Regulations more clearly set out what information Employers are required to submit for the administration of LGPS 2014 and what records Employers are required to maintain, in line with the definitions of the 2008 scheme regulations, thereby ensuring that both the Administering Authority and the Employers meet the statutory requirements of the Regulations.
