Cabinet Member's Comments

This is the largest school project we have ever agreed at £12m. There was no public response on this issue. I am therefore very happy to agree the proposals.

Having regard to the arguments and options set out in the documentation before me, the representations made to me and the further considerations set out above, I confirm my decisions on this matter as follows:

This report represents a change of status. The staffing and pupils are in place and the buildings purpose built. Everyone is very supportive of this project.

The new foundation Unit does not conflict with any other groups in the area, in keeping with community wishes.
