

# A40 HIF2 Smart Corridor virtual exhibition feedback form

We're improving the A40 between Witney and Oxford to deliver safer and more reliable travel options for those who rely on it for work, leisure and economic success.

We're investing in six major schemes, two of which have already progressed past the consultation phase (Eynsham Park and Ride and Oxford North) and more information is available about these on the [improving the A40](#) pages of the county council's website.

We now invite your views on four remaining schemes. In this consultation you can find out more and have your say on the three A40 HIF2 Smart Corridor Schemes: A40 Dual Carriageway Extension, A40 Integrated Bus Lanes and A40 Dukes Cut.

The Access to Witney has its own consultation, which is running at the same time as this one. You can find it on the [county council's consultation portal here](#).

**Please visit our [A40 HIF2 Smart Corridor virtual exhibition](#) before filling in this feedback form. It may be helpful to keep it open in separate window so you can refer to the boards when giving your feedback.**
