However, whilst there was a wealth of detail and many specific proposals for development of the infrastructure for cycling, the association felt that the document set out good intent, but lacked any detailed on encouraging walking particularly around the rail station to city centre, Banbury, Woodstock and Botley Roads, Broad Street and St. Giles, the High Street. 37/16 CONNECTING OXFORDSHIRE UPDATE - LOCAL TRANSPORT PLAN (LTP4) 2015-2031

(Agenda Item 10)

Council had before them a report which set out the key changes to Connecting Oxfordshire, Oxfordshire's Local Transport Plan (LTP4), adopted by Council in September 2015, following full public and Stakeholder consultation. This report outlined the first update to LTP4, which was required to reflect the changed policy context and new and updated strategies.

LTP4 had been updated in 2016 in response to the rapidly changing national and local growth, economic development, infrastructure planning and funding agendas. Last year the County Council resolved that LTP4 should be strengthened in its aims to reduce air pollution. This was also reflected in the Plan.

The Plan had been designed as a living transport policy and strategy framework document, to be kept under review and regularly updated as significant changes took place which affect transport in Oxfordshire. It would also directly inform the update of the Oxfordshire Strategic Economic Plan recently consulted upon and proposed to be completed this Autumn.

Councillor Nimmo-Smith moved and Councillor Hudspeth seconded that the recommendations set out on the face of the Agenda and the report be adopted.

Following a lengthy debate, the motion was put to the vote and was carried by 60 votes to 0, with 1 abstention.

The complaint related to events that took place in 2014. The Ombudsman concluded that there was a public interest in how the complaint and the care of the complainant's wife were mismanaged and how further residents might have been at risk.

Under the Local Government Act 1974, Council must consider the report of the Ombudsman and confirm to her the steps the Council has taken, or is taking, to comply with the recommendations of the Ombudsman.

43/16 MOTION FROM COUNCILLOR RICHARD WEBBER

(Agenda Item 16)

With the consent of Council, Councillor Webber moved and Councillor Hudspeth seconded his motion as amended by Councillor Hudspeth below in bold italics/strikethrough:

Council ***continues to*** supports the general principle that those in greatest need should have the highest priority. However, Council regrets that it has been compelled to abandon the concept of universal provision offered by our children's Centres in Oxfordshire as a result of the Government's cuts in Local Authority funding. ~~Council asserts that it intends to restore a universal service as soon as financial constraints allow.~~

In the meantime, Council is aware that, as a result of the focus on the most needy children and families in our County, there will be large areas—particularly in the West which now have no Children Centre buildings - the same areas likely to suffer most from rural isolation as the Council removes bus subsidies.

Ensuring that there was some compensation for these areas was a key statement agreed by Council in its February budget. Council therefore believes that it is now essential that the effects of the loss of Children's Centres, in these areas, is compensated for by:

1. Offering active support to the parents, volunteers and Parish Councils taking over or hoping to take over the vacated Centres.

2. ~~Ensuring that rents to such bodies are kept to a minimum in order to allow them to produce realistic, and sustainable business plans.~~

3.2 Persuading District Councils to join us in giving as much support to these bodies as possible.

4.3 That the £1m Transition Fund agreed at the February budget should be committed to these areas to achieve the above.

Following debate, the motion as amended was put to the vote and was carried unanimously.

RESOLVED: (unanimously)
