

Existing Diagram 606 signs
"Vehicular traffic must proceed in the direction indicated by the arrow"

Existing Diagram 616 signs
"No entry for vehicular traffic"

Existing Diagram 1037.1 markings
"Vehicular traffic must turn right"

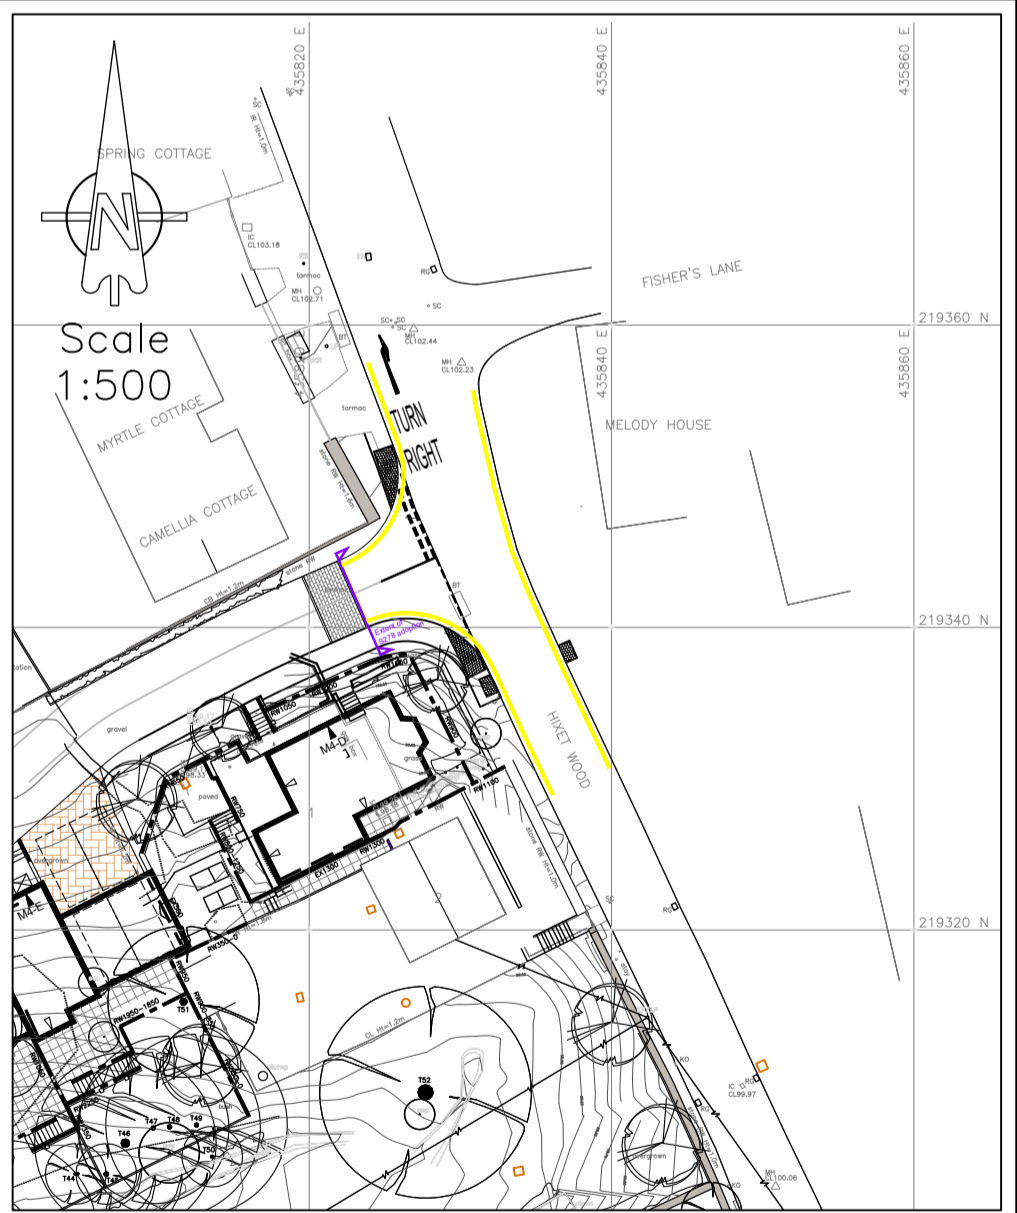

Highway Code rule 243 states "Do not stop or park opposite or within 10 metres (32 feet) of a junction, except in an authorised parking space".
There are no authorised parking spaces on Hixet Wood so the Highway Code prohibits parking in the entire area covered by the proposed restrictions.

Stage 1/2 Road Safety Audit states: "Parking occurring opposite the new access results in south bound vehicles on the wrong side of road at the new access... Parking restrictions need to be provided to enable vehicles to pass new junction on the correct side of road to avoid head on collisions".

Stage 1/2 Road Safety Audit states: "Parking occurring opposite and adjacent to new access causing problem for turning vehicles accessing site... Parking restrictions need to be provided to enable access to the new development".

Stage 1/2 Road Safety Audit states: "Parking occurring in front and adjacent to new pedestrian crossing point... Vehicle parking in the vicinity of the access and pedestrian crossing point need to be removed by the introduction of new parking restrictions".

Extent of Diagram 1018.1 double yellow lines set in order to allow refuse vehicles to turn in and out of the new site access

Key:
 Proposed new Diagram 1018.1 double yellow lines
 - waiting of vehicles prohibited at all times

ALL WORKS TO BE CARRIED OUT IN ACCORDANCE WITH THE SPECIFICATION ISSUED BY OXFORDSHIRE COUNTY COUNCIL
