Cabinet Member's Comments

I welcome the decision to continue this arrangement to alleviate pressure in Wallingford and that 10 out of the 11 responses to consultation were in support with the one remaining response being in support of free travel.

Decision

Having regard to the arguments and options set out in the documentation before me, the representations made to me and the further considerations set out above, I confirm my decisions on this matter as follows:

to adopt the following proposals:

- (a) to provide free travel for those of statutory school age from RAF Benson to Icknield Community College;
- (b) to review the need for this provision on an annual basis since it concerns capacity and likely demand.

Signed
Cabinet Member for Children, Education & Families
