

Delegated Decisions by Cabinet Member for Growth & Infrastructure - Thursday, 25 November 2010

Statement of Decision

Present:

Cabinet Member for Growth & Infrastructure : Councillor Ian Hudspeth

Officers: G. Warrington (Law & Governance)
 A. Howard (Environment & Economy)

Household Waste Recycling Centres - Operating, Access and Waste Acceptance Policy

Documentation considered:

Report Household Waste Recycling Centres - Operating, Access and Waste Acceptance Policy

A copy is attached to the signed copy of this decision.

The Cabinet Member considered an updated policy document incorporating a number of changes to policy and establishing greater consistency in enforcement of rules and policies across sites in the county.

Decision

Having regard to the arguments and options set out in the documentation before me, the representations made to me and the further considerations set out above, I confirm my decisions on this matter as follows:

to approve the Household Waste Recycling Centres – Operating, Access and Waste Acceptance Policy as annexed to the report CMDGI4 together with changes to DIY 1,2,3 for Free and Tyre policy as set out in CMDGI4.

Signed
Cabinet Member for Growth & Infrastructure

Date

Delegated Decisions by Cabinet Member for Growth & Infrastructure - Thursday, 25 November 2010

Statement of Decision

Present:

Cabinet Member for Growth & Infrastructure : Councillor Ian Hudspeth

Officers: G. Warrington (Law & Governance)
 P.Day (Environment & Economy)

Oxfordshire Minerals and Waste Development Framework: Annual Monitoring Report 2010

Documentation considered:

Report Oxfordshire Minerals and Waste Development
 Framework: Annual Monitoring Report 2010

A copy is attached to the signed copy of this decision.

The Cabinet Member considered the Minerals and Waste Development Framework Annual Monitoring Report for 2010 the purpose of which was to assess and report on implementation of the local development scheme and the extent to which policies were being achieved.

Mr Day confirmed that figures set out in paragraph 4.2.3 resulting from recent permissions would increase levels of permitted reserves for soft sand in line with the current apportionment figure but not quite for sharp sand and gravel. He also confirmed that production of primary aggregates (Table 1 and Figure 1) had declined in recent years. Material was being imported from Gloucestershire but it was not possible to be precise about those levels.

Cabinet Member's Comments

The Cabinet Member stressed the importance of imported materials and their influence on the permitted reserves projection as set out in Table 4.

Decision

Having regard to the arguments and options set out in the documentation before me, the representations made to me and the further considerations set out above, I confirm my decisions on this matter as follows:

- (a)** to approve in principle the Oxfordshire Minerals and Waste Development Framework Annual Monitoring Report 2010 annexed to the report CMDGI5;
- (b)** to authorise the Head of Sustainable Development to carry out any necessary final editing of the Annual Monitoring Report 2010; to submit it to the Secretary of State and publish it on the County Council website in accordance with Section 35 of the Planning and Compulsory Purchase Act

2004 and Regulation 48 of the Town and Country Planning (Local Development) (England) Regulations 2004.

- (c) forward a copy of the report to members of the Minerals and Waste Plan Working Group, Planning & Regulation Committee and those members whose divisions were directly affected by mineral deposits and waste development.

Signed
Cabinet Member for Growth & Infrastructure
