

**Divisions Affected – ALL**

**Joint Health Overview and Scrutiny Committee  
22 September 2022**

**Care Home Infection Control Visit**

**RECOMMENDATION**

1. **The Joint Health Overview and Scrutiny Committee is RECOMMENDED to note and consider the attached report and agree any further action it wishes to take in response.**

Executive Summary

2. Following ongoing work by the Committee to identify potential improvements to infection control protocols in care homes and other institutions holding vulnerable residents, Cllr Dr Paul Barrow, Cllr Elizabeth Poskitt and Barbara Shaw visited Henry Cornish Care Centre in Chipping Norton to discuss with staff their infection control procedures.
3. The members' findings have been written-up by the group and are attached.

Annex: HOSC visit to Henry Cornish Care Centre, Chipping Norton
