<p><b>2. Questions from County Councillors</b></p> <p><i>Question from Councillor Jean Fooks</i></p> <p>The North Oxford CPZ was agreed at your February 27<sup>th</sup> meeting, We are now almost into August and the scheme is still not in place. Residents rightly feel very let down by the County Council. Can you give me and my constituents a firm date by which they will have received letters, seen the signs in place and been able to purchase permits if wanted , ready for enforcement as soon as possible thereafter?</p> <p>Could I also request that a 'light touch ' enforcement regime is used for the first two or three weeks, to enable people to get used to the scheme being operational at last?</p> <p><i>Reply from the Cabinet Member for Environment</i></p> <p>I am sorry that this has taken such a long time to implement but officers are working hard to fit this in alongside other priorities.</p>		DEE(DT)

<p>I have been assured that letters with information on the approved scheme and how to apply for permits, along with permit application forms, will be sent out by post to all the residents next week. Permits will be issued from 16 August onwards.</p> <p>All the signs (approx. 250 in total) have now been manufactured and the contractor will be erecting them during the second week of August and the Zone will become operational at the end of August. As is our normal practice with new schemes, the enforcement will initially involve the issuing of warning notices to vehicles without a permit or parking incorrectly.</p>
