The Cabinet's Forward Plan: Introduction

This Forward Plan outlines the decisions which are expected to be made over the coming four-month period by or on behalf of the County Council's Cabinet.

The Plan is arranged according to the responsibility areas of the various members of the Cabinet. (The members and their portfolios are listed in the table on the next page.) Each entry briefly describes the subject and scope of the decision; indicates the "target date" on which the decision is expected to be taken and by whom (eg whether the full Cabinet or an individual Cabinet Member); what documents (normally a report by an officer) are expected to be considered; and contact details for the officer(s) dealing with the matter.

Where consultation is being carried out prior to the decision being taken, the principal consultees are specified. The method of consultation will normally be by letter or – where the views of the wider public are to be sought – by press coverage, supplemented by local notices if the decision affects a particular area. Other methods, such as exhibitions, opinion surveys, community forums etc, may be used to supplement these.

The lists include any "key decisions" - those which are "significant" under the terms of government regulations. In general, a key decision may not be taken unless notice of it has been included in the Forward Plan. However, the Council has decided that Oxfordshire's Forward Plan should include all those matters which are expected to come before the Cabinet in the period of the Plan, whether or not they may give rise to key decisions.

If any key decisions are expected to be taken by officers within the Plan period under powers delegated by the Cabinet, these are included in the Plan. A timetable for all the decisions listed in the Plan appears in an Annex at the end of the Plan.

Further information about the decision making process (including key decisions) can be found in the Council's Constitution. This can be inspected at County Hall or online¹.

Unless of a confidential nature, reports and other documents for any meeting can be inspected, from approximately a week before the meeting, at County Hall and online². Copies can be supplied on request, at a charge to cover copying costs.

Making Representations about Forward Plan Items

Anyone who wishes to make representations about a particular matter listed in the Plan should send their comments so as to reach the County Council at least a week before it is due to be considered. Comments should be either:

- posted to "Forward Plan", Law & Governance, Chief Executive's Office, County Hall, Oxford OX1 1ND or
- delivered in person to the same address or
- e-mailed to forward.plan@oxfordshire.gov.uk.

There is also a facility for making a short address to the Cabinet or Cabinet Member in person. The deadline for any request to do this is 9.00 am on the working day before the matter is due to be considered. A form is available from Democratic Support Team, Law & Governance, (contact as above, or telephone Oxford 810806) or online³.

Forward Plan July – October 2011

Access to Information Procedure Rules Paragraph 15 General Exception

Notice is hereby given that the item set out below, and included in the Forward Plan, for consideration by the Cabinet Member for Growth & Infrastructure on 27 July 2011 will now be considered by Cabinet on 19 July 2011

It is considered that the decision on this matter is more appropriately taken at a full Cabinet meeting rather than in delegated decision session and the decision needs to be taken on the meeting on 19 July so that that the contract can be completed as soon as practicable. To delay the decision could result in a loss of service provision, which would seriously prejudice the Council's and the public's interests.

Forward Plan July – October 2011

Access to Information Procedure Rules Paragraph 15 General Exception

Notice is hereby given that the item set out below for consideration by Cabinet on 19 July 2011 is not in the Forward Plan.

Cabinet in June agreed that any matters relating to the Soldiers of Oxfordshire museum development which could not be resolved be brought back to Cabinet for decision. Following that meeting negotiations have continued and a further decision is required relating to the ongoing commitment to the site and future arrangements. The decision needs to be taken at the full Cabinet meeting on 19 July 2011 as work needs to start on site in August and any further delay will lead to an increase in the capital costs of the building (which SOFO are meeting).

Full Cabinet, 19 July 2011
