

CABINET – 21 SEPTEMBER 2021

ITEM 4 – QUESTIONS FROM COUNTY COUNCILLORS

Questions

1. COUNCILLOR MICHELE PAULE to COUNCILLOR TIM BEARDER

1. What monitoring is currently being carried out to assess the impact of the Temple Cowley and Florence Park Low Traffic Neighbourhood trial scheme on the city council wards of Littlemore, Rose Hill and Lye Valley, & what does this monitoring show to be the scheme's current impact on vehicle movements and air pollution in particular on Hollow Way, Church Cowley Road, Henley Avenue and Oxford Road Littlemore?
2. What criteria will be used to assess the success of the Florence Park and Temple Cowley LTNs? What factors will the cabinet member take into account when deciding whether to make the scheme permanent?
