## Objectives

10. The objectives of the proposals.

This proposal will create sufficient primary school places within Wantage to meet current and expected demand from the current population and recent housing development within the town. Demographic data shows that a permanent increase in the number of primary school places in the Wantage/Charlton area is needed. An extension to Wantage is being considered through the District Council's Core Strategy but if approved this would include a new Primary School.

## Consultation

11. Evidence of the consultation before the proposals were published including—

- (a) a list of persons who were consulted;
- (b) minutes of all public consultation meetings;
- (c) the views of the persons consulted;
- (d) a statement to the effect that all applicable statutory requirements in relation to the proposals to consult were complied with; and
- (e) copies of all consultation documents and a statement on how these documents were made available.

- a) Consultation was carried out with staff, governors and parents at Charlton Primary School and the other primary schools and secondary school in the local partnership; local early years providers; local residents; local councillors (parish, district and county) and MP; trade unions representing staff at the school; other Oxfordshire schools; CE and RC dioceses; and other interested parties.
- b) An informal meeting was held for parents to discuss their concerns with the headteacher, school governors and County Council officer. Points raised included: local population changes; increased traffic and on site parking; the need to protect facilities for sport, sufficient playground and hall space per child; whether increased pupil numbers would be detrimental to existing children; retention of the ethos of the current school; community loss of the aged deteriorating Swimming Pool; how building work would be managed and funded; sufficient permanent build remodel.
- c) A consultation was carried out in Wantage and Charlton (17 January - 07 March 2011) to gather views on whether Charlton Primary School should be permanently expanded. 25 written responses were received, mostly from parents of children at the school. 36% were concerned that that the school should be remodelled in permanent build; 24% over the increase in size and 32% the potential to

compromise the school's positive atmosphere, ethos and standards; 60% expressed concern over increased traffic and management of 'drop-off' and provision of on-site parking; others were concerned that playground and sports facilities were not compromised which included 24% expressing concern over the loss of the aged and terminal Swimming Pool. The Catholic Diocese responded that the increase should have no detrimental effect on the admissions of Catholic schools in the area, but that they would be concerned if the funding of new accommodation was to disadvantage financially any Catholic schools in Oxfordshire.

- d) All applicable statutory requirements to consult have been complied with.
- e) The consultation leaflet is attached as Appendix 1. These were sent via the school to parents. Consultation leaflets were also sent to local early years providers, other local Primary Schools, the secondary school, local councillors and MP, and other stakeholders. The leaflet was also available on the county council's website.

For September 2010 the three primary schools within and local to Wantage received 150 first preference applications for 130 reception places.
