

## Question to Cabinet

"Can the Cabinet member identify by local authority district where the school is situated those secondary schools in Oxfordshire where any of the following groups performed below the county average for the % of pupils in the group making the expected progress for that group between Key Stages 2 & 4 in either English or Mathematics in 2014? The groups are: Low attainers, middle attainers, high attainers?"

All data is taken from the 2014 Performance Tables
