Oxfordshire Health and Wellbeing Board – 5 March 2015

Pharmaceutical Needs Assessment for Oxfordshire

Report by the Director of Public Health

Introduction

1. The Health and Wellbeing Board has a statutory responsibility to publish a Pharmaceutical Needs Assessment once every 3 years for Oxfordshire. The proposed report for 2015-18 is attached, along with 2 annexes which contain the statutory mapping and a list of amendments made to the draft report as a result of statutory consultation.
2. It is proposed that this report is published on the website of the County Council.
3. Once the report is published any new or additional information about pharmacy services in the county will be notified in a series of supplements which will also be published on the website.

RECOMMENDATION

1. **The Board is RECOMMENDED to accept this report and approve the process for publishing it along with any supplementary information as it is received.**
