

Future of adult palliative care

Oxford University Hospitals, Katharine House Hospice and Sobell House,
working in partnership with others

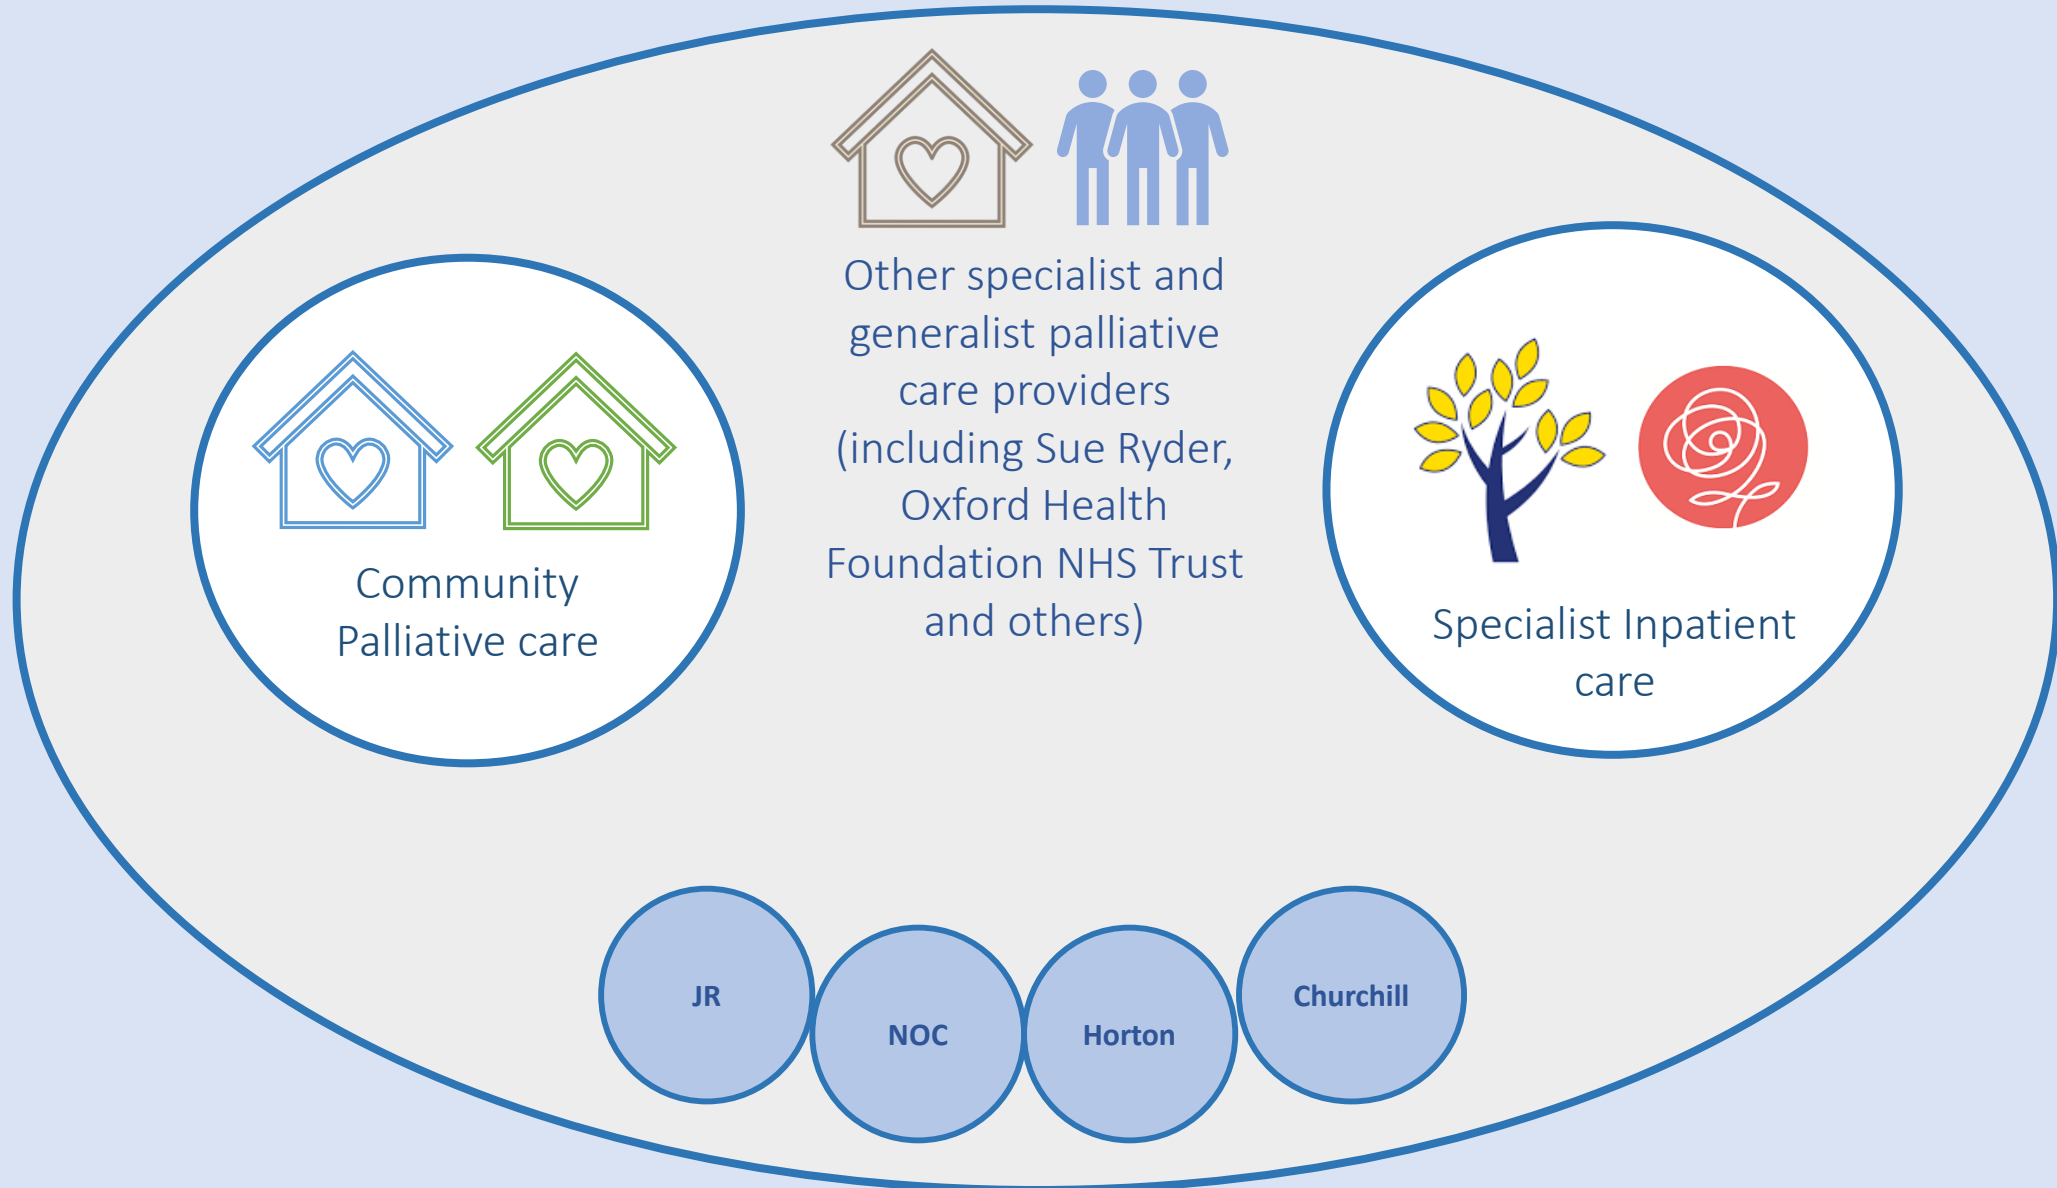

Professor Bee Wee CBE: Clinical Lead for Palliative Care OUH, National Clinical Director for Palliative and End of Life Care NHS England

Professor Chris Cunningham: Divisional Director for Surgery, Oncology and Women's Division OUH

Lydia Brook MNurSci: Living Well and Supportive Care Lead for Palliative Care OUH

Robbie and Jan

The National Picture

Six ambitions to bring that vision about

- 01 Each person is seen as an individual
- 02 Each person gets fair access to care
- 03 Maximising comfort and wellbeing
- 04 Care is coordinated
- 05 All staff are prepared to care
- 06 Each community is prepared to help

"I can make the last stage of my life as good as possible because everyone works together confidently, honestly and consistently to help me and the people who are important to me, including my carer(s)."

Challenges

Changing demographic and
need

Health Inequalities

Our Partnership: Moving Forward Together

Moving forward together, we are working to:

- Improve **quality**
- Improve **access**
 - **earlier** in the journey
 - for **under-served groups**
- Improve **sustainability** of services

Thank you

We welcome questions and discussion
