System-wide update on COVID-19 recovery	The slide titled “Elective care RTT” had incorrect data and a correct slide will be sent for the record.	Lisa Glynn, Director of Clinical Services at OUH	Correct slide has been sent to OCC to update the record
Oxfordshire CCG update	<p>Two points arose in discussion, as per the draft minutes:</p> <p>1. [on specialist palliative care, Diane Hedges, OCCG:] There were beds available in the south, city and north and they would provide whatever best suited the patient. She was happy to share the data on which the decisions were based. The Chair asked for this to be circulated to the Committee.</p> <p>2. [public speaker Julie Maberley noted]: Patients requiring physiotherapy/MSK services had been directed away from local services because the wait for an appointment at Wantage was three times longer than in other parts of the county. [Diane Hedges, OCCG, responded that she] was unaware of the issue with MSK services and would check into that.</p> <p>Actions: Diane Hedges (OCCG) to provide information for circulation to the Committee on:</p> <ul style="list-style-type: none"> • specialist palliative care bed numbers • MSK services 	Diane Hedges, Oxfordshire CCG	<p>Palliative care: in progress</p> <p>MSK services: OCCG has requested additional details of the circumstances in order to investigate further</p>
