#### **7. Chipping Norton - Intermediate Care Beds**

The Joint Committee is informed that the County Council's Cabinet considered the report which is attached to the Agenda at its meeting on 15 September 2015. It agreed to the proposal for a public consultation to take place on the future of the way Intermediate Care is provided in North Oxfordshire. The consultation will be asking for people's views on Intermediate Care continuing to be provided through a bed-based service in Chipping Norton and on the development of home-based Intermediate Care.
