### **Cabinet Member's Comments**

In response to questions Councillor Hudspeth was advised that in respect of the Building the Community - Stadhampton with Chiselhampton Parochial Church Council bid, the bidder was actively seeking the remaining funding. Councillor Hudspeth proposed that a condition be imposed to review progress so that if the further funding was not secured the position could be reassessed and the funding reallocated if necessary.

### **Decision**

Having regard to the arguments and options set out in the documentation before me, the representations made to me and the further considerations set out above, I confirm my decisions on this matter as follows:

to approve the following bids which meet the assessment criteria subject to the requirements set out below:

- New Beginning for young people in Henley - £12,556
- Building the Community - Stadhampton with Chiselhampton Parochial Church Council - £50,000 contingent on other funding required for the project being raised; and subject to a review on progress to the Cabinet Member for Children & the Voluntary Sector in six months.

Signed .....  
Leader of the Council
