## **About the Oxfordshire Joint Health Overview & Scrutiny Committee**

The Joint Committee is made up of 15 members. Twelve of them are Councillors, seven from Oxfordshire County Council, and one from each of the District Councils – Cherwell, West Oxfordshire, Oxford City, Vale of White Horse, and South Oxfordshire. Three people can be co-opted to the Joint Committee to bring a community perspective. It is administered by the County Council. Unlike other local authority Scrutiny Committees, the work of the Health Scrutiny Committee involves looking ‘outwards’ and across agencies. Its focus is on health, and while its main interest is likely to be the NHS, it may also look at services provided by local councils which have an impact on health.

### **About Health Scrutiny**

Health Scrutiny is about:

- Providing a challenge to the NHS and other organisations that provide health care
- Examining how well the NHS and other relevant organisations are performing
- Influencing the Cabinet on decisions that affect local people
- Representing the community in NHS decision making, including responding to formal consultations on NHS service changes
- Helping the NHS to develop arrangements for providing health care in Oxfordshire
- Promoting joined up working across organisations
- Looking at the bigger picture of health care, including the promotion of good health
- Ensuring that health care is provided to those who need it the most

Health Scrutiny is NOT about:

- Making day to day service decisions
- Investigating individual complaints.

### **What does this Committee do?**

The Committee meets up to 5 times a year or more. It develops a work programme, which lists the issues it plans to investigate. These investigations can include whole committee investigations undertaken during the meeting, or reviews by a panel of members doing research and talking to lots of people outside of the meeting. Once an investigation is completed the Committee provides its advice to the relevant part of the Oxfordshire (or wider) NHS system and/or to the Cabinet, the full Councils or scrutiny committees of the relevant local authorities. Meetings are open to the public and all reports are available to the public unless exempt or confidential, when the items would be considered in closed session.

**If you have any special requirements (such as a large print version of these papers or special access facilities) please contact the officer named on the front page, giving as much notice as possible before the meeting**

**A hearing loop is available at County Hall.**
