Statement of Decision

Present:

Report Oxfordshire Pupil Place Plan 2018-2022

Summary of representations in person

Mrs Chillman confirmed that the Plan did not set out new policies but instead collated proposals which had been made or were expected. The Birth Rate had now come down and primary provision had stabilised, so the focus of the plan this year was more around expanding current secondary provision and the provision of new secondary schools.

Having regard to the arguments and options set out in the documentation before me, the representations made to me and the further considerations set out above, I confirm my decisions on this matter as follows:
