

## CABINET – 26 MAY 2020

### CABINET APPOINTMENTS 2020/21

#### RECOMMENDATION

1. Cabinet is recommended to confirm the existing appointments as set out in the Annex.

#### Background

2. Each year in May Cabinet considers member appointments to a variety of bodies which in different ways support the discharge of the Council's executive functions. A number of appointments are made taking into account political balance and the wishes expressed by Group leaders are reflected in the decisions made.
3. Attached is an annex setting out the appointments made in 2019/20.
4. These appointments are made in tandem with the appointments made at the Annual Council meeting which has this year been postponed. All existing appointments that are made at Council are continued without change.
5. It is suggested that to be consistent with the approach to full Council and in order not to take officers from essential other work Cabinet be recommended to confirm the existing appointments.
