Executive Summary

2. The County Council is jointly responsible with the Buckinghamshire, Oxfordshire, and Berkshire West Integrated Care Board (BOB ICB) for the planning and commissioning of services for children and young people with SEND in Oxfordshire.
3. There was an inspection by the Care Quality Commission (CQC) and the Office for Standards in Education (Ofsted) between 13 July 2023 and 21 July 2023. The report was published on 15 September 2023.
4. The inspection's outcome was that "There are widespread and/or systemic failings leading to significant concerns about the experiences and outcomes of children and young people with special educational needs and/or disabilities (SEND), which the local area partnership must address urgently".
5. The Council has unequivocally accepted the report as have partners.
6. Following publication of the report, His Majesty's Chief Inspector (HMCI) requires the local area partnership to prepare and submit a priority action plan (area SEND) to address the identified areas for priority action. Deadline for this submission is 27th October 2023.
7. The Priority Action Plan is being co-developed by the council and partners through 3 workshops, taking place within the next fortnight.

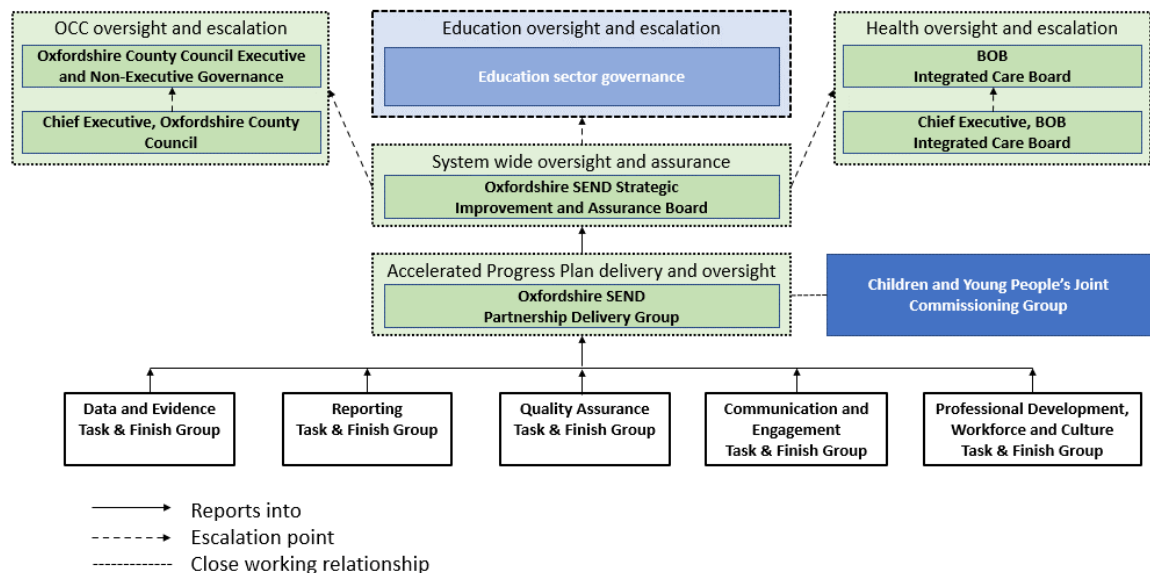

Report

Priority Action Plan

8. The Priority Action Plan (PAP) will be developed and signed off as below.
9. 3x partner agency workshops to be held on Monday 25th September, Thursday 28th September, and Tuesday 3rd October. At these workshops, partners will work together to develop an initial PAP, addressing the 5 priority actions and 4 areas for improvement identified in the inspection report. Workshop participants will be comprised of the Oxfordshire SEND Partnership Delivery Group (see 15/16 below), Oxfordshire Parents Carers Forum, Headteachers and Academy Trust representatives, and members of the Education Commission. This will ensure a collective partnership approach.
10. The draft PAP will be presented to the first meeting of the Oxfordshire SEND Strategic Improvement and Assurance Board (SIAB – see Governance and Monitoring below). This meeting will also ratify proposed governance arrangements and Terms of Reference for the SIAB.
11. The finalised PAP will be signed off by Stephen Chandler (OCC, Executive Director – People), Anne Coyle (Interim Corporate Director for Children’s Services), Nick Broughton (Chief Executive, Oxford Health), and Rachel Corsar (Chief Nursing Officer).

Governance and Monitoring

12. Proposed governance arrangements are below:

13. As per its Terms of Reference, the Oxfordshire SEND Strategic Improvement and Assurance Board (SIAB) will meet monthly (with a review after 6 months) to provide strategic system and partnership leadership, assurance, and oversight of the areas of weakness identified in the inspection, across the local

area system in Oxfordshire for children and young people with special education needs and disabilities (SEND) and their families.

14. The Board will provide oversight and assurance for the partnership delivery of the SEND Strategy, Action Plan, the Engagement and Participation Strategy and the SEND Communications and Engagement Strategies which contain additional and complementary work to the nine improvement priorities. The Independent Chair of the Board is accountable for reporting to the Department of Education and NHS England, progress against delivery of actions and outcomes within the Action Plan arising from the local area SEND inspection.
15. The Board will be supported by the Oxfordshire SEND Partnership Delivery Group (PDG) and, as necessary, any time limited Task and Finish Groups to respond to the areas of weakness. The SEND Partnership Delivery Group will take forward the co-ordination of partnership activity and monitor progress and impact of delivery in detail. It will liaise with OCC's Operational Groups who are responsible for local authority project delivery.
16. Membership of the SEND Partnership Delivery Group comprises staff from OCC, NHS Buckinghamshire, Oxfordshire & Berkshire West Integrated Care Board (BOB ICB), Oxford Health, Oxford University Hospitals, and Oxfordshire Parents Carers Forum. It will provide monthly assurance reports into the Board, and the SEND Strategic Improvement and Assurance Board Chair will meet with the Chair(s) of the SEND Partnership Delivery Group to ensure rapid tasking and clear accountability between the strategic and delivery assurance arrangements.
17. As per the Area SEND Inspections Framework, Ofsted and CQC will carry out a monitoring inspection around 18 months after the initial inspection. This will assess the extent to which the local area partners are taking effective action to address the areas for priority action set out in the inspection report, and the impact of actions on the weaknesses identified. These findings will be used to determine any further required intervention and/ or support (see <https://www.gov.uk/government/publications/area-send-framework-and-handbook/area-send-inspections-framework-and-handbook>).
