<p><b>9. Report of the Council</b></p> <p>Report of the Cabinet Meetings held on 20 December 2016, 24 January 2017 and 21 February 2017 (CC9).</p>	The Council received the report of the Council.	
<p><b>10. Interim Arrangements for taking Emergency Decisions immediately following the County Council Elections</b></p> <p>Under the provisions of section 7 of the Local Government Act 1972 (as amended), all the existing County Councillors will retire together on the fourth day following the elections (i.e. on 9 May 2017) and the newly elected and re-elected Councillors will take office from that day. All positions under the Council's political management arrangements except for the Chairman and Vice-Chairman of the Council and the Leader (for each of which there is a specific statutory exemption) fall vacant on that day, until they are filled at the first meeting of the County Council on 16 May 2017. In terms of formal member decision making there will therefore be a hiatus during this period and some provision will need to be made in the event that any urgent decisions are required.</p> <p>Under the Constitution the Chief Executive has delegated power to take any Executive or non-Executive decision after consultation with the appropriate Director and following consultation with the Leader and Deputy Leader of the Council or (in the case of non-executive functions) the relevant Committee Chairman and Deputy Chairman. <p>Cabinet's views on the proposals were presented to the Oxfordshire Joint Health Overview and Scrutiny Committee (OJHOSC) on 7 March. The OJHOSC is the statutory consultee on substantial developments or variations in the provision of the health service. OJHOSC invited evidence from a wide range of organisations and will be responding to the OCCG consultation with comments and recommendations as well as meeting again to consider whether the OCCG has responded adequately to the issues it has raised.</p> <p>Due to the scale, impact and interest of all members in the proposals to transform local health services Cabinet wants to give County Council the opportunity to consider the potential impact on council services and the public. These views will be collated and fed back to the OCCG as part of the consultation process.</p> <p>A copy of the Consultation document can be found on the CCG web site: <a href="#">The Oxfordshire Big Health &amp; Care Consultation: Phase 1 - Consultation Document</a></p> <p><b>Council is RECOMMENDED to:</b></p> <ul style="list-style-type: none"> <li>(a) <b>note the views expressed to HOSC by Cabinet on the proposals;</b></li> <li>(b) <b>identify any further concerns regarding the proposals;</b></li> <li>(c) <b>agree for Officers to summarise these further concerns to the OCCG as a response to the consultation;</b></li> <li>(d) <b>Share these concerns with HOSC to aid their further consideration of the OCCG proposals.</b></li> </ul>	<p>Recommendations agreed (by 55 votes to 0, with 1 abstention)</p>	<p>CLO CE Phillips) (C.</p>

<p><b>18. Motion From Councillor Richard Webber</b></p> <p>“District Councils have responsibility for measuring and monitoring Air Quality and, where appropriate, putting in place Air Quality Management Areas and Action Plans. Unfortunately, most of the possible remedial actions to counteract worsening Air Quality are costly, involve Highway and traffic issues and fall on the cash-strapped County Council. This has led to, frustration from residents and a feeling that “nothing can be done”.</p> <p>Council believes that the growing national and government awareness of the health and economic implications of poor Air Quality, together with the opportunity offered by a Unitary Council to bring under one roof all Air Quality issues, Council therefore asks the Director for Environment &amp; Economy to explore, as a matter of urgency, the feasibility and legality of demanding s106 contributions from <i>all</i> developments in Oxfordshire, with such contributions increasing from developments in or near established AQMAs. <p><b>19. Motion From Councillor Anne Purse</b></p> <p>“Lorries parking for long periods of time in laybys on Oxford’s Ring Road, and in particular the Eastern Bypass between Headington and Cowley, continue to bring a nuisance to local residents and other road users. Because the drivers stay for hours at a time, many overnight, where there are no toilets they habitually use the roadside verges instead. This is a serious matter which ought to be and can be resolved, but that does not mean just moving the problem to another area.</p> <p>Council therefore requests that the Cabinet Member Environment holds talks urgently with those large local businesses likely to attract numerous vehicle deliveries regarding the provision of proper systems and facilities for parked lorry drivers, so reducing the unpleasantness and growing risk to public health being caused at present.”</p>	<p>It being after 3.30pm, this motion was considered dropped in accordance with Council Procedure Rule 15.1</p>
