proposal to expand Orchard Meadow Primary School between 1<sup>st</sup> November to 13<sup>th</sup> December 2011. Consultation was carried out with staff, governors and parents of children at the school, local councillors and MPs; relevant trade unions; other Oxford city primary and nursery schools; and other interested parties.

b) A drop-in session was held by officers of Oxfordshire County Council at the school on 24<sup>th</sup> November 2011 at which parents of children at Orchard Meadow Primary School, staff and governors were invited to attend to ask any questions and raise queries relating to the proposal. There were no attendees to the drop-in session.

c) During the public consultation, five responses were received. Three respondents supported the proposal in principal, one objected to the proposal and one was neutral but raised a concern.

The reason given for supporting the proposal was:

- Need for additional pupil places in Blackbird Leys area, to prevent local children having to travel elsewhere.

The following concerns were raised by respondents:

- Effect of being a larger school on standards and the experience of the pupils.
- The displacement from current “spare” classrooms in the school of Leys Children’s Centre staff, who use two classroom-sized rooms as offices, with concern that there may be no suitable alternative provision for them.

d) All statutory requirements were complied with.

e) Consultation leaflets were sent via the school to parents. Consultation leaflets were also sent to local primary and nursery schools, the feeder secondary school, local councillors and MPs, and other stakeholders. The leaflets were also available on the county council’s website.

A feasibility study is underway to identify the options for providing additional accommodation to address the infrastructure issues related to this expansion. The estimated cost of providing the additional classroom

spaces in permanent buildings is in the region of £950,000 over two phases of works. It is anticipated that capital works will be funded by the local authority.

**13.** A copy of confirmation from the Secretary of State, local education authority and the Learning and Skills Council for England (as the case may be) that funds will be made available (including costs to cover any necessary site purchase).

Once the preferred solution, costs and phasing options have been identified and agreed, funding will be sought from within the County Council's Basic Need Capital Programme 2011/12 onwards. It is anticipated that there will be opportunities to recover some of the costs for the work from future housing developer funding (S.106) agreements.

(a) a statement and supporting evidence of the need or demand for the particular places in the area;

Orchard Meadow Primary School is located in Blackbird Leys in Oxford. Its Published Admission Number was until recently 30, however the school has worked with the county council to admit over this number for the last few years, to meet growth in demand for pupil places in Blackbird Leys. From September 2011 the Published Admission Number rose to 45, which more accurately reflects the actual intake of pupils into the Reception (F1) class each year. Demand for pupil places across Oxford city has risen and future plans for the regeneration of Blackbird Leys could include up to 1000 additional homes; therefore the expectation is that the rise in pupil numbers will be sustained.

(2) Sub-paragraph (1) applies to expansion proposals in respect of primary and secondary schools, (except for grammar schools), i.e. falling within:

(a) (for proposals published by the governing body) paragraph 1 of Part 1 to Schedule 2 or paragraph 12 of Part 2 to Schedule 2;

of the School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended).

The presumption for the expansion of successful and popular schools

does not apply in this case.
