Chairman's Introduction

As the Chairman of the Audit and Governance Committee I am very pleased to present this annual report which sets out the role of the Audit & Governance Committee and summarises the work we have undertaken both as a Committee, and through the support of the Audit Working Group during the financial year 2019/20.

The Committee operates in accordance with the good practice guidance produced by the Chartered Institute of Public Finance Accountancy (CIPFA) in 2018. During the year the Committee completed a self-assessment against this guidance which confirmed the Committee is operating effectively in accordance with the standards, providing an independent and high-level resource which supports good governance and strong public financial management.

The Committee continues to be well supported by Officers, providing a high standard of reports and presentations. I would also like to thank the Internal Audit and the External Audit teams for their input.

I should like to take this opportunity to give my personal thanks to all the officers, Dr Geoff Jones, Chairman of the Audit Working Group, my Vice Chairman Cllr Tony Ilott and without exception, all fellow Committee members who have contributed and supported the work of the Committee in such a meaningful and positive way throughout the past year.

COUNCILLOR NICK CARTER

Chairman, A&G Committee

Role of the Audit & Governance Committee

The Audit and Governance Committee operates in accordance with the “Audit Committees, Practical Guidance for Local Authorities” produced by the Chartered Institute of Public Finance and Accountancy (CIPFA) in 2018. The Guidance defines the purpose of an Audit Committee as follows:

1. Audit committees are a key component of an authority's governance framework. Their function is to provide an independent and high - level resource to support good governance and strong public financial management.
2. The purpose of an Audit Committee is to provide to those charged with governance independent assurance on the adequacy of the risk management framework, the internal control environment and the integrity of the financial reporting and annual governance processes. By overseeing internal and external audit it makes an important contribution to ensuring that effective assurance arrangements are in place.

The key functions of the Audit and Governance Committee are defined within the Council's Constitution; the relevant extract is attached as Annex 1 to this report. In discharging these functions, the Committee is supported by the Audit Working Group, their terms of reference are attached as Annex 2 to this report.

2019/20 Key Achievements:

- Facilitated by the Chief Internal Auditor, the Committee completed a self-assessment against CIPFA's view of best practice for Audit Committees in local authorities "Audit Committees in Local Authorities and Police 2018 edition". This exercise confirmed the Committee is operating effectively in accordance with the standards, providing an independent and high-level resource which supports good governance and strong public financial management.

- The Committee and AWG has continued to review and monitor material weaknesses identified from the internal audit reports with Senior Managers attending to provide assurance on how the issues were being addressed. This has supported the implementation of the action plans to deliver the required improvements in key areas for the Council, for example Highways Payments and Mental Health.

Highways Payments – following several audits, graded Amber, which highlighted weaknesses with the contractor’s cost management system and promised developments to the system not being progressed satisfactorily, the contractor has attended the Committee. The challenge offered by the Committee has supported OCC officers with the escalation of the issues with the contractor to ensure proper resolution. The committee have monitored the contractor’s improvement plan to address the system weaknesses identified and the Service now report the significant improvement in terms of cost transparency and data capture.

Mental Health – Following two audits, both with the overall grading of Red, the Committee / Audit Working Group have closely monitored the implementation of the agreed action plans. The responsibility for the delivery of social work provision for the over 65’s has been brought back from Oxford Health to the County Council. The Committee / Audit Working Group have noted the significant improvements made. The Mental Health Provider JMG (OCC and OHFT) continue to retain the responsibility for overseeing the s75 partnership arrangements including monitoring of budget, performance, staffing and service development. OCC are working collaboratively with Oxford Health to ensure robust oversight of activities relating to social care, care act compliant assessments and reviews. The Committee/AWG continue to monitor the remaining outstanding actions which include agreeing the detailed governance arrangements for the delivery of Adult MH social care and updating the S75 / quality assurance framework with the revised arrangements.

- A continued focus for the Committee and AWG during 2020/21 will be to monitor the improvement actions agreed following audits of S106 and Security Bonds, both areas graded as red, due to significant weaknesses identified. Officers are regularly required to attend the Committee/AWG and through this continued monitoring positive action is in progress to improve the governance and control environment, including that there are now clear timescales in place for the procurement and implementation of the new S106/Security Bonds ICT systems. In response to Internal Audit highlighting that the current security bond register was not an accurate or complete mechanism for the recording and management of bonds, that a moratorium on all returns and releases of cash bonds and an immediate process review was instigated to ensure the robust checking and adequate segregation of duties is in place going forward.
- The Committee are pleased to particularly note through review during the year of over 30 Internal Audit reports and monitoring by the Committee & AWG of the agreed management actions that significant weaknesses in the system of internal control are being prioritised and addressed.

- The Committee have provided effective scrutiny of the treasury management strategy and policies. Receiving regular reports of activity, reviewing the treasury risk profile and adequacy of treasury risk management processes has contributed to good performance in this area.

Our work in 2019/20

The key activities of both the Committee and AWG are captured in the tables above. In summary:

Financial Reporting

The Committee reviewed and approved the annual statement of accounts on behalf of the Council and considered the external auditors report. The Committee reviewed the proposed accounting policies for the statement of accounts.

The Committee receives reports from the Treasury Management Team three times a year, exercising its stewardship role. The Committee reviewed the Treasury Management Outturn Report, the Treasury Management Mid-term Performance Report and the Treasury Management Strategy Statement and Annual Investment Strategy 2020/21. The committee members attended an industry update briefing presented by Arlingclose covering new legislation and potential risks; to help inform the review of the 2020/21 Treasury Management Strategy.

Internal Audit

The Committee in May 2019 approved the Internal Audit Strategy for 2019/20, including the annual audit plan and counter fraud plan, which provides members the opportunity to challenge and influence the plan where the Committee has identified areas of concern.

The Committee receives regular progress reports from the Chief Internal Auditor, including summaries of the outcomes from Internal Audit work. Through the Audit Working Group, the Committee monitors the progress with the implementation of management actions arising from audit reports.

In response to Internal Audit reports the Committee/Audit Working Group, has looked in detail at the following areas; S106, Security Bonds, Contingency Care, Back up and Recovery, Oxford City Works Agreement, Mental Health and Highways Payments.

The review of the effectiveness of the system of Internal Audit, commissioned by the Committee was reported and considered in March 2019. Overall the results are very favourable and demonstrated a strong level of satisfaction about the nature and effectiveness of the service. There were no issues as regards the integrity, or capability, of any of the officers of Internal Audit; the comments continue to reflect that the service is well-regarded. The next review will be scheduled for 2021.

The Committee has continued to monitor the resourcing of Internal Audit. The Committee recognise the challenges in recruitment in this area and continue to be updated regarding the recruitment and retention strategies being adopted.

The Internal Audit Plan was completed by the end of April 2020 Committee and the annual statement of the Chief Internal Auditor produced for the April 2020 Committee. Based on the evidence of the reports presented to the Audit Working Group and the Committee, the team continues to provide an effective challenge and therefore assurance on the key risk activities.

The Committee also met with the Chief Internal Auditor in a private session during September 2019 and are satisfied Internal Audit are free to carry out their duties without restrictions.

The Committee approve the Internal Audit Charter on an annual basis, this was approved at the July 2019 meeting.

External Audit

The Council's external auditors, Ernst and Young, attended all the committee meetings during 2019/20, providing regular updates on their work plan and any matters arising. The Committee received and reviewed the External Audit Annual Letter.

The Committee also met with the external auditors in a private session in March 2020 and are satisfied they are free to carry out their duties without restrictions. We are also assured that if identified they would bring any material issues to the attention of the Committee.

Governance & Risk Management

The Committee approved the Annual Governance Statement (AGS) for 2018/19 in May 2019. This included improvement actions for 2019/20, within the following areas; Property & Security, Business Continuity, ICT & Digital and Procurement. The Committee actively monitors progress with the implementation of the actions.

The Committee and AWG receives and considers updates from officers on areas such as: OCC & CDC partnership governance, OxLEP governance arrangements, Carillion recovery plan and Oxford City Work agreement.

The Committee received the draft Risk and Opportunities Management Strategy 2019-21 at the September meeting for review and comment, prior to presentation to Cabinet in October 2019.

The Committee, through the Audit Working Group, has continued to receive risk management updates, which included detailed review of the Leadership risk register. The Audit Working Group have continued with a cyclical programme of reviewing the

Directorate risk registers throughout the year. The Audit Working Group is satisfied from their review that the process for reporting, escalating and managing risks is being maintained and acknowledge the ongoing work to improve and properly embed risk management as a routine part of OCC's everyday work.

The Committee and Audit Working Group also considered the annual report of the Monitoring Officer; the annual report of the Local Government Ombudsman; the use of the Regulation of Investigatory Powers Act 2000 (RIPA); review of scale of election fees; and the Fire and Rescue Service Annual Statement of Assurance. There were no material issues or concerns arising.

The Committee has not received any reports in respect of investigations into allegations of misconduct under members' code of conduct. The Committee has not granted any dispensations from requirements relating to interests as set out in the code of conduct for members.

Counter-Fraud

The Audit & Governance Committee and Audit Working Group receive regular updates from the Chief Internal Auditor on any reported matters of suspected fraud, including investigations. Outcomes of investigations are reported to and monitored by the Audit & Governance Committee. The Committee plays a key role in monitoring the effectiveness of the Council's counter fraud arrangements.

The Committee received a report on Whistleblowing from the Monitoring Officer, that highlighted there have been very few cases.

Overall the Council has a strong system of internal control, so it is not unexpected there is very little fraud identified; however nationally statistics show that fraud is on the increase, so it is important that we all remain vigilant.
