Cabinet Member's Comments

I wish to thank Lynne Newin from the Oxfordshire Rural Community Council for her hard work in progressing the grants for us this year and getting the funding out to communities. This funding is important because it helps to combat rural isolation and deprivation and builds resilience in our communities.

Having regard to the arguments and options set out in the documentation before me, I confirm my decisions on this matter as follows:

to:

- (a)** approve the grants proposed in Annex 2 to the report; and
