

Council Tax and Precepts 2014/15

Council Tax Data

1. In order to set its budget for the forthcoming year, the County Council needs to calculate its council tax requirement. This is the amount that the council needs to raise from council tax to meet its expenditure after taking account of the income it will accrue from the following
 - (a) **the amount to be received from specific grants.** Government departments notify the County Council of any specific grants that it will receive prior to the start of the new financial year;
 - (b) **the amount to be received from Revenue Support Grant and the Business Rates Top Up under the Business Rates Retention Scheme.** These amounts are determined by Government within the Local Government Finance Settlement. Provisional settlement figures were announced on 18 December 2013;
 - (c) **the amount to be received for the County Council's share of Non-Domestic Rating Income.** Each district council is required to notify the County Council of its share of business rates by 31 January 2014;
 - (d) **any surpluses/shortfalls on the council tax collection funds for earlier years and the estimated position for the current year.** Each district council is required to make this calculation and to notify the County Council of its share by 24 January 2014;
 - (e) **the amount expected to be received from fees, charges and contributions.**
2. In order to set its council tax for the forthcoming year, the County Council needs to calculate its council tax requirement and have available the following information:
 - (a) **the council tax base, expressed in terms of Band D equivalent properties.** Each district council is required to formally notify the County Council of the tax base for its area before 31 January 2014.
3. Based on the final information on funding and assuming a council tax requirement of **£277,733,607** as shown in the proposed Medium Term Financial Plan (Annex 2) the calculation of the Band D Council Tax for 2014/15 is as follows:

Council Tax Calculation 2014/15

	£m
County Council net expenditure after specific grants	430.073
Less: Revenue Support Grant	-80.604
Business Rates Top Up	-36.390
Non-Domestic Rating Income	-28.374
Collection Fund Adjustments	-6.971
Council Tax Requirement (R)	277.734

Council Tax Base (assuming losses on collection) (T)	229,834
Band D Council Tax (R/T)	£1,208.41

Each £1 million variation in budget will change the Band D council tax by about £4.35 or 0.36%.

The calculation of the council tax for the other bands is shown below in Table 1. Table 2 analyses the tax base over each district council area and allocates the estimated County Council precept to each area relative to their tax base.
