

Annex 2

Outline funding template for BSIP

* Within each category, please use multiple lines to show details of different projects or proposals where you can. For example, on bus priority, you should aim to include detail on specific corridors; or on bus service support, you may have a split between scheduled services and demand-responsive services to flag. This is particularly important where you wish to attach a different priority ranking to different parts of your proposals.

** Please rank each line with a number showing your view of priority to your BSIP outcomes: 1 being the highest priority, and every line receiving a different number thereafter.

*** Totals will automatically be calculated. Do not amend calculations in row 34 or columns Q and R.

Q1. Please complete the table below. All figures should be nominal (actual prices, unadjusted for inflation). Please delete guidance in [\[blue\]](#) when completing the template.
