Delegated Decisions by Deputy Leader of the Council with Responsibility for Climate Change, Environment & Future Generations, 18 July 2024

<ul style="list-style-type: none">▪ Proposed New Lead Local Authority Drainage and Minor Groundworks Framework The proposal is for a new OCC Lead Local Flood Authority (LLFA) Drainage and minor ground works framework. It will enable OCC to directly undertake work relating to drainage and minor ground works to reduce flood risk for communities and residents. The framework is proposed to run for an initial period of 2 years, with an option to extend for a further 2 years. The framework is for the provision of the following works across the whole of Oxfordshire on a "call-off" basis. Works will be on OCC own land and assets and (by agreement) third party land. Types of work: Lot 1) minor ground works, such as: ditch and pond creation, reinstatement and maintenance; small flood embankment construction; swale construction; infiltration device installation; and vegetation management. Lot 2) Culvert and small bridge works, such as: removal, replacement, alteration	Delegated Decisions by Deputy Leader of the Council with Responsibility for Climate Change, Environment & Future Generations, 2024/158
