**Notes: Parking Restrictions & Parking Phases**

1. Existing Red Signs and Yellow Signs are not shown on this map.
2. The proposed Traffic Regulation Order does not affect Disabled Persons Parking Places as they are covered by a separate Order. This enables us to add or remove disabled parking spaces as required without affecting the other provisions. However, this Order will provide alternative restrictions should any of the disabled spaces be removed in the future.
3. The proposed restrictions only apply to land which is within the boundary of the Controlled Parking Zone and are unable to increase restrictions on private land.
